

PROSPECTUS

An Ofsted OUTSTANDING School
2025

Building Brighter Futures

At President Kennedy School everything we do is focused on **Building Brighter Futures** for our students, our staff and our Community. We are proud of our “no barriers” approach to education, ensuring children of all abilities and from all backgrounds are encouraged to set high goals and work hard to achieve them.

Our school endeavours to achieve its aims by encouraging:

- High academic attainment
- A caring environment where all individuals are equally valued
- A thirst for study and investigation
- Respect for the beliefs, opinions and needs of other people
- The ability to work independently and with others
- A sense of fairness and responsibility
- Pride in oneself and our school
- An appreciation of art and culture
- Pursuit of a healthy lifestyle
- An awareness of news that affects the world, including the environment
- The professional development of our staff

Our examination results are some of the best in Coventry and the vast majority of our leavers secure places at university or on apprenticeship schemes.

This year, 86% of our Year 13 students secured a place one of the top 50 universities in the country.

We are delighted that in July 2013, our school was judged outstanding in all areas by Ofsted, awarded World Class Schools Status in 2017 and re-accredited in 2019 and in 2022.

Welcome to The Bridge, a College dedicated purely for Year 7 students! We understand that choosing a secondary school for your child and getting the best possible start is a high priority for parents.

The Bridge has been welcoming Year 7 students into its dedicated school with its own outside play area, garden and art studio for over ten years. In that time, The Bridge has been widely praised by parents, the educational press, OFSTED and education specialists for setting the national standard for transition between primary school, secondary school and regularly hosts visitors from schools all over the country.

The Bridge's team of specialist staff have developed a reputation for providing the very best educational achievement for each and every one of its students. You will, of course, be able to tour The Bridge and speak to our Year 7 specialists. In the meantime, I hope this leaflet will provide you with a flavour of what The Bridge is about and why we are so successful.

Miss Tovey,
Director of the Bridge

"All Year 7 students have the opportunity to graduate at the end of the year at a special ceremony. The programme tracks and celebrates each student's achievements, including their academic success and their extra curricular accomplishments within school" **Ofsted**

Specialised Curriculum

All Year 7 students will take part in a carefully crafted curriculum that encompasses traditional academic subjects such as English, Maths and Science taught by our specialist teachers plus a range of cross curricular learning experiences.

The key to success is careful assessment when the children arrive at President Kennedy School which enables us to identify strengths and areas for development early. We then devise highly personalised timetables for each student based on their particular needs to make sure that every child is stretched to reach their full potential.

Students are quickly placed in sets according to their ability in English and Maths in order to maximise their progress.

Students who arrive below national average in key subjects such as English and Maths are often offered additional lessons delivered as our Fresh Start & Guided Reading Programme in small groups which give them just the boost they need in order to make accelerated progress.

"All students now join the school in Year 7 by entering 'The Bridge', a dedicated area of the school. It is a very safe and supportive environment which helps students to make the transition from primary school to secondary school, and where teachers can provide extremely skilled and effective intervention to quickly improve reading, handwriting, spelling and grammar or numeracy skills that might hold students back in other subjects." **Ofsted**

Extra curricular activities

Part of school life at The Bridge is participation in a wide range of experiences to develop our pupils both academically and socially. Activities include extending academic interests, sports, performing arts, community projects and the media, preserving the environment and student leadership. Students participate in the annual 'Bridge Performance'.

Past performances include 'Wizard of Oz' in 2015, 'Annie' in 2016, 'Aladdin' in 2017, 'Bugsy Malone' in 2018, 'Beauty and the Beast' in 2019, Matilda Jr in 2022, 'The Lion King Jr' in 2023, 'Shrek Jr, the Musical', 2024 and Oliver Jr! in 2025.

Sports team and activities at The Bridge:

- Rugby
- Cricket Academy
- Tennis
- Netball Academy
- Athletics
- Basketball
- Trampolining
- Dance

Arts activities at The Bridge:

- The Bridge Production
- Drama Club
- Debating Club
- Band
- Film Club
- Performing Arts Academy
- Chess
- Choir

Homework and learning at The Bridge:

- STEM (Science, Technology, Engineering and Mathematics) Club featured on BBC Midlands Today
- Homework Club (supervised provision after school)
- Coding Club
- Ambassadors
- Time Tables Rockstars
- Fresh Start Reading Intervention
- Nessy Spelling Intervention
- Lexonik Vocabulary Intervention

Environmental activities at The Bridge:

- Eco Council
- Bridge Garden
- Gardening Club

"The opportunities afforded to students in The Bridge are most inspiring. There are so many clubs to choose from and everyone is encouraged to become involved. Students are given extra support based on their earning ability and the chance to visit places like Cambridge University."

Parent

Staff at The Bridge

The Bridge boasts an experienced team who are all educational professionals dedicated to the Year 7 students in their care. The Bridge is led by Miss Tovey, Director of The Bridge, who has many years experience in school leading and developing Year 7 students. There is also a Bridge Pastoral Leader who specialises in the Pastoral Care of 11-12 year olds.

The Bridge staff are always on hand to answer questions and ensure the students feel secure and happy. The team is greatly enhanced by a full time literacy specialist, Miss Griffin, and several numeracy teachers who assess children's ability, monitor progress and organise additional lessons which increase attainment in these important subjects. There is also a strong team of Bridge teaching assistants who specialise in supporting Year 7s.

Parents and Carers

At every stage of our Transition Programme we go out of our way to meet and engage with prospective parents and carers. This is important to us for two reasons. Firstly, parents and carers are a vital source of information and this input helps us understand the individual needs of children early on. Secondly, parents and carers are an essential part of the process of education. We know that close relationships between parents/carers and our staff greatly enhances the success of your child through their time at President Kennedy School. Year 7 Parents are invited to join a Parental Partnership group to provide us with continual feedback and ideas for improvement. We also offer regular events where parents can join us and learn alongside their child.

Together, we are Building Brighter Futures!

"I couldn't have asked for a more supportive staff team to help my child settle into Year 7. Ask them anything, it's never too much."

Year 7 Parent

The Bridge Team

Miss Tovey

**Assistant Headteacher and
Director of The Bridge**

Miss Tovey oversees the provision and performance within The Bridge, ensuring that every student achieves their full potential and demonstrates outstanding character and PRIDE in everything they do.

Miss Tovey will ensure that high standards are maintained in every aspect of school life.

Mr Townsend

Progress Leader

Mr Townsend is an experienced teacher and the member of staff responsible for ensuring that every child in The Bridge makes outstanding progress.

He is responsible for an extensive and much praised enrichment programme, tailored to the needs and interests of our Year 7 students.

Mrs Keogh

Pastoral Leader

Mrs Keogh is the Pastoral Leader of The Bridge who oversees the transition from primary to secondary school.

Mrs Keogh's main responsibility is to ensure that every student is fully prepared for their learning and she works closely with families to ensure that the student's welfare is of paramount importance.

The Bridge Team

Miss Griffin

Leader of Literacy

Miss Griffin brings expertise in literacy, numeracy and primary school teaching methods to our team.

She is responsible for developing literacy skills in The Bridge and has had considerable success raising the standards of students' reading and writing, numeracy and ensuring accelerated progress.

Miss Griffin works closely with primary schools on transition from primary to secondary school.

Mrs Arnett

Student Leadership and Character Development

Mrs Arnett is an English teacher who is responsible for 'Leadership and Character' behaviours in The Bridge.

She delivers a programme which ensures students develop outstanding personal characteristics. This includes providing public speaking, school council activities and performance opportunities such as the 'Shakespeare in Schools' festival.

Mrs Arnett is also in charge of the 'Interact Rotary Club' where we develop links with numerous charities and community based work.

Miss Connelly-Jones

Learning Mentor

Miss Connelly Jones has worked in The Bridge for many years.

Within her role, she provides support, motivation and guidance to help pupils overcome any obstacles to their learning.

The Bridge Teaching Assistant Team

Mrs Knibbs

Higher Level Teaching Assistant and Intervention Co-ordinator

Mrs Knibbs oversees and delivers our personalised intervention programme ensuring that literacy and numeracy skills are embedded for all students in The Bridge.

She works closely with Miss Griffin to ensure all learners are on track to make exceptional progress. Mrs Knibbs also liaises with our TA Team, SENCO and The Bridge teachers to ensure barriers to learning are removed.

The Hub - Student Support

Miss Berry
Assistant Headteacher

Mrs Roberts
Director of Inclusion
and SENDCO

Mrs Sharp
Inclusion Intervention Lead

Miss Price

Mr Lee
Hub Learning Mentor

Mrs Hetherton
SEND Co-ordinator

Miss Haynes
EAL HLTA

An Ofsted Outstanding School

"President Kennedy School is committed to 'building brighter futures' for all. They embody this ambition wholeheartedly. Pupils are proud and happy to be a part of this inclusive and diverse school where they excel both academically and personally. The caring nature and positive relationships between pupils of all ages, and staff, is what makes this school such a special place to be."

Ofsted

"The equality of opportunities resonates in everything the school does. All pupils have access to a complimentary breakfast, uniform, musical instrument lessons, residentials and trips throughout enrichment week. The school's vision of 'no barriers' is lived and breathed in all aspects of school life."

Ofsted

"The curriculum design is ambitious for all pupils. It is meticulously planned and sequenced and outlines the key concepts that pupils need to know from Year 7 to Year 13. Careful thought has been given to what pupils will learn, when they will learn it and how they will learn it."

Ofsted

"Teachers routinely check pupils' understanding. When pupils do not understand tasks or if misconceptions arise, teachers use their expertise to adapt the learning. This enhances pupils' confidence and knowledge. The school has a sharp focus on developing oracy. Pupils are keen to engage in debates, discussions and to share their ideas in their lessons. They take pride in their work and achieve academic excellence."

Ofsted

Being an Outstanding Bridge Learner means...

PUTTING YOUR BEST FOOT FORWARD WITH PRIDE

TAKING PRIDE IN YOUR UNIFORM

- Knowing and following the school rules regarding uniform, including footwear and wearing your badge with PRIDE.

BEING IN THE RIGHT PLACE AT THE RIGHT TIME

- Knowing what lessons take place on a particular day.

BEING RESPONSIBLE FOR YOUR HOMEWORK

- Using Class Charts to complete homework at home.
- Using your Learning Toolkit to support you to complete your homework tasks independently

ORGANISING YOUR BOOKS AND EQUIPMENT

- Reading your timetable to know what lessons you have each day.
- Knowing what equipment is needed for each lesson (e.g. ruler, compass, calculator, PE kit).

BEING PUNCTUAL

- Getting up on time, so that you are in school before 8.40am, ready to walk out of the door with everything you need.

TAKING PRIDE IN YOUR LEARNING

- Having your Bridge Five.
- Working independently and collaborating in class to demonstrate your capabilities.
- Showing PRIDE in all your lessons through positive learning habits and outstanding presentation.
- Being curious, asking questions and striving for excellence.

Pride:

You look after the physical and emotional wellbeing of yourself and others, including the school, family and friends. You have a moral purpose and show self-control and discipline in striving to reach it.

Respect:

You display excellent social intelligence, demonstrating self-control and discipline in how you conduct yourself with other people and the environment.

You consistently use appropriate manners and show gratitude to others. You put the needs of others before your own.

Involvement:

You show zest and curiosity for rich and relevant experiences. You are thirsty for knowledge and new skills, and want to make a valuable contribution to the community.

Determination:

You show grit and discipline in your drive to reach your goals. You never quit and are prepared to be resilient, independent and positive in finding ways to overcome barriers to success.

Excellence:

You aspire and strive to do your best at all times, using relevant strategies and skills to do so.

You consistently have a positive impact on other people.

You have a plan for how you will achieve amazing success.

Character was defined by Aristotle as:

“Thinking, acting and feeling in ways that are beneficial to yourself and others.

Doing the right thing, at the right time, in the right way.”

President
Kennedy
School

Building Brighter Futures

Ofsted
Outstanding
Provider

Our students welcome you!

**Hello my name is Sebi
and I went to Whitmore
Park Primary School**

I am writing this to tell you not to worry about your transition to Year 7. When I first came to President Kennedy School, I was nervous and scared but those feelings slowly went away. The more time I spent at President Kennedy School, the more excited I became as I realised how many opportunities were available to me.

For example, in November, I decided to try out for Romeo and Juliet and I got the part as Romeo!!! This was a huge milestone and an amazing opportunity. I got to perform in front of a huge audience and it was super exciting as it boosted my confidence and helped me expand my social bubble.

After that, another opportunity came where I was picked to debate a topic in front of Coventry's Rotary Club and President Kennedy School was awarded second place. I was voted the best chair person out of all the people there.

Overall so far President Kennedy School has been amazing and I think. Wait, no. **I KNOW!** That you will love it just as much as me.

**Hello my name is Ardell and
I went to 3 different schools
John Shelton, St John`s and
Keresley Grange**

When I joined Year 7 I was so nervous and scared about making new friends. For a few days, I stayed with my friends from primary school instead of anyone else. Then I became more confident and I started to make new friends.

I've always loved performing in front of others and entertaining so my life took a wild turn when I started the President Kennedy School Talent show. At first, I was so nervous but I made into the second round. I was so happy I jumped in excitement. I ended up winning first place in the President Kennedy School Got Talent competition.

President Kennedy School has given me so many new opportunities! You are going to love it!

**Hello my name is
Tanaya and I went to
Holbrook Primary School**

In this school there are many extra-curricular activities that you can enjoy such as Football, Rugby, Basketball and Volley ball and many more. There are also many other clubs like Maths, English and if you really want there might even be a Lego Club.

Anyway, another reason why I love this school so much are the amazing and extraordinary teachers! They are so kind even when you make a mistake they will help you over and over again.

At President School, you can also learn so much from ONE LESSON. I'm sure this school will be the perfect school for you, and if have any issues, you can always talk to the teachers.

Another reason why I find this school special, is because The Bridge is for Year 7 only. It is for children to feel safe, and to connect with one another to make new friends.

For now until Year 7... Goodbye.

Our students welcome you!

**Hello my name is Teboho
and I went to Parkgate
Primary School.**

During the time I had to prepare for arriving at President Kennedy school, I had a tornado of emotions swirling inside me; it was overwhelming going to a different school, an unfamiliar environment and especially the new people.

After the days past, I felt at home - a new feeling awoke in me, a sense of belonging. The Bridge felt safe and was certainly a place to create connections to those around me. From the very first day, I knew that this place was my second home a place of comfort, a place that I could go to in times of worry.

After I settled in, I proceeded to go on various journeys such as going on trips which I enjoyed the most. I also joined the School Council where I met like-minded people like me.

Based on my experience, I love this place and I want others to enjoy it just as much as I do.

**Hello my Name is Yuvraj
and I went to John
Shelton Primary School**

When I started at secondary school, I felt super nervous since it was a school with lots of students I didn't know. Luckily, I had some friends with me to support me that are also at President Kennedy School. It didn't take long to make new friends who are just as kind as my old friends.

The Bridge is the best, as it is full of wonderful teachers who care for you and The Bridge also keeps you feeling safe as it is a place dedicated to only Year 7.

I have participated in so many clubs such as football, cricket, and homework club. In homework club we do home work that we cannot complete at home or don't have time to, which supports us.

I feel that President Kennedy School is very welcoming and that the learning really is outstanding. Teachers teach you so many things you didn't know. This amazing school offers a range of visits to go on - such as a trip to a University!

We can't wait for you to start your journey here.

**Hello my name is Ethan
and I went to
Wheelwright Lane
Primary School**

On my first day of school I had mixed emotions, I was partly nervous but most of all excited. As the days have ticked on, I have really settled in nicely. President Kennedy School has great activities for you take part in such as, football (which is my favourite), basketball, cricket, rugby and drama. I've made lots of new friends - mostly when playing for the school football team. We have had great fun travelling around the West Midlands competing against other schools.

When I was signed for Aston Villa Academy, the teachers were very helpful and they continue to support me on my journey to thrive and do well at President Kennedy School.

My advice is to always show pride to help you succeed and make your experience here as enjoyable as possible.

I am very happy to be part of President Kennedy School and look forward to the many opportunities I have yet to explore. There's no need to feel nervous as you will always find a friendly face and something interesting to take part in.

Year 7 Curriculum Overview

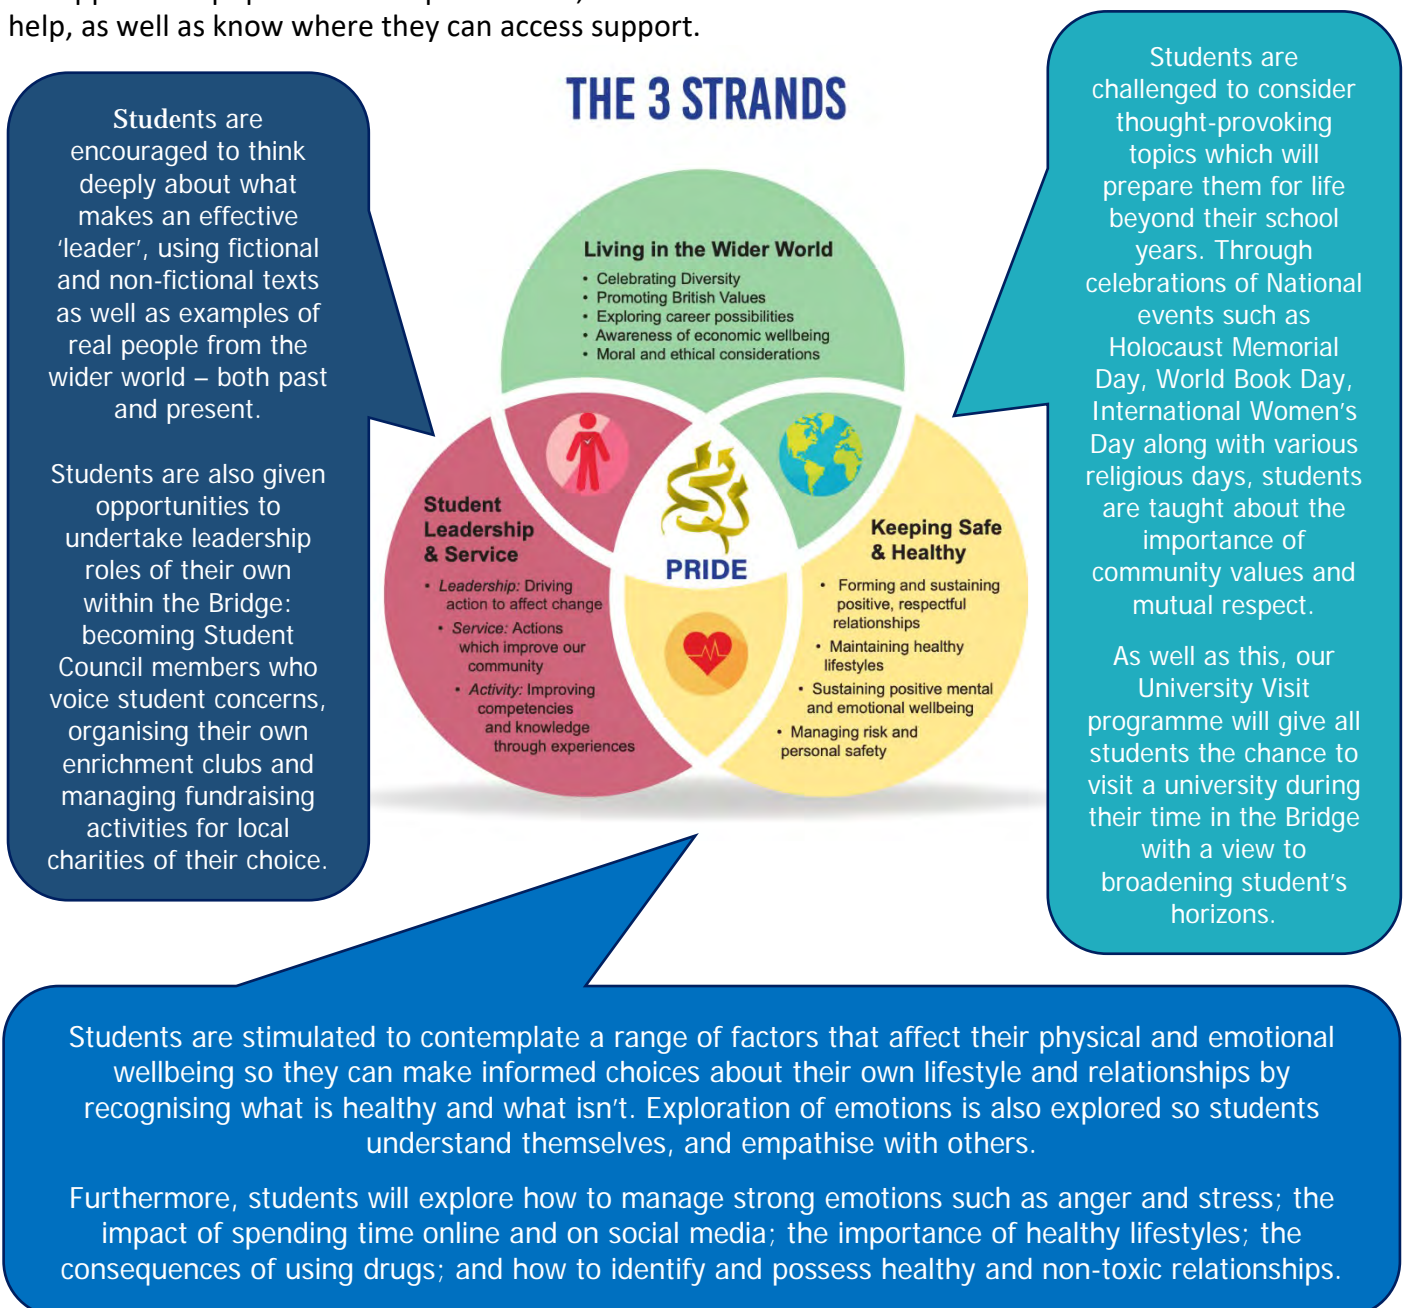

English	In Year 7 English, you will study a range of texts and genres that will allow you to find and develop your voice. Your studies will span from the origin of stories to how stories are told in the modern day, exploring the forms of plays, novels, poetry and non-fiction. You will be on your own personalised pathway where your teachers will be guiding you to read, write and speak with authority so that you have the tools to thrive at President Kennedy School.
Maths	In Year 7 Mathematics, you will continue your numeracy journey which started in primary school. Your studies will be deepening your knowledge of a range of concepts from number, algebra, geometry, statistics, probability, ratio and proportion and how they entwine with each other. Mathematics is a universal subject and therefore you will continue to develop your ability to think, question and communicate like a mathematician.
Science	Year 7 Science is about discovering the world around you. In Year 7 Science, you'll explore how your body works, from the tiniest cells to the journey of your food through the digestive system. You'll learn how animals and plants are connected through food chains and what makes a balanced diet. In Chemistry, you'll investigate the properties of solids, liquids and gases, explore amazing reactions, and uncover the secrets hidden in rocks. In Physics, you'll dive into the forces that move objects, discover why we have seasons and night and day, explore the power of pressure, and experiment with the invisible pull of magnets. Get ready to ask questions, investigate the world, and think like a scientist!
Geography	In Year 7 Geography, your study will begin with our local area of Coventry to understand a range of geographical concepts including how people live and the reasons our settlement developed. You will continue your learning journey to explore the ways in which you are connected to the rest of the world and the implications of this on people around the world. Throughout this, you will develop the skills to think critically about the world we live in and how you can make a difference.
History	The Year 7 Learning Journey covers 2 key areas of British History. <i>'Power and the People in the Middle Ages'</i> focusses on the struggle for power and the daily challenges to people's lives. <i>'The World Turned Upside Down'</i> follows the upheaval of the Tudor and Stuart eras. You will be engaged in tasks which will strengthen your writing and oracy skills, improve your understanding of chronology, learn to question historic sources and develop greater empathy. There is also an induction period which introduces the idea of cultural diversity in Britain.
I.T	In Year 7 IT you will learn all about the incredible world of technology. You will discover how computers work and learn how to ensure you safely engage with technology. You will become competent users of various IT programs applying yourselves to many fun and exciting projects along the way. You will explore concepts of programming creating games, learn how to create vector graphics as well as managing a project using spreadsheet software.

Spanish	<p>Year 7 Spanish is exciting, fun and full of variety throughout the year. We start Year 7 by concentrating on the phonics and play a wide range of games to ensure everyone is secure in the pronunciation of the language. We then continue with Langlovision, a singing competition in Spanish and start to develop reading and writing skills through song.</p> <p>After Christmas, we continue to learn the language through film and continue to develop our four main skills of listening, speaking, reading, and writing.</p> <p>Our final topic in Year 7 is '<i>Home</i>' where you are taught how to discuss and write about your home and area. Our experienced staff will ensure you enjoy and excel in Spanish, and we look forward to meeting you all in September.</p>
PE	<p>In Year 7 PE, you will participate in a range of team and individual sports, where you will practice skills, take part in conditioned games and full sided games. You will develop your own personal fitness, begin to understand tactics and rules and understand how best to work as a team. There will also be the opportunity to represent the school in many different sports.</p>
Technology	<p>In year 7 Design and Technology, you will learn a range of different skills that will allow you to develop your creative abilities and deepen your understanding and precision of these, as well as various techniques . We will work on a number of projects exploring your skills in Textiles, Product Design and Food.</p>
Music	<p>In Music, you will explore music styles and music skills development. You will develop performance, composition and music production skills and develop your knowledge and understanding of music, learning to play an instrument focusing on melodies, harmonies, rhythms using music notations whilst understanding the characteristics and features of different styles of music. You will also explore music through active listening, analysing concepts to develop your own appreciation for music.</p>
Art	<p>Within Art, Year7 Students study <i>Cubism</i> and learn about Picasso and his artwork. You will be taught the elements of drawing such as <i>Line and Tone</i> and you will be introduced to <i>Colour Theory</i>, learning about Primary Colours and Secondary colours. In addition to this you will be exploring the use of watercolour and acrylic paints to create your very own Cubist piece of art.</p>
Performing Arts	<p>Year 7 Performing Arts is a diverse and inclusive subject where all students can learn to be creative, confident and skilled performers. We offer a variety of topics both practically and theoretically to enhance students' knowledge and understanding of the different skills in dance, drama and vocal. Within performing arts, students get an opportunity to take a leap out of their comfort zone and gain an in depth understanding of how to be imaginative and communicate with peers in a unique and fun way.</p>
RE	<p>In Year 7 RE you will study two of philosophy's ultimate questions: Where did we come from? How do we know right from wrong? By exploring a variety of religious stories, scientific explanations, atheistic and modern philosophers you will explore your own values and interpretations of the world around you and your place within it.</p>

Our Bridge PRSHE Curriculum

From the moment that pupils begin their journey in the Bridge at President Kennedy, they will be exposed to our 'Three Strands' PRSHE (personal, relationships, social, health and economic) curriculum, which enables students to become successful, happy, and well-rounded young adults who are ready to thrive in the wider world. The aim of our curriculum is to instil students with the skills and characteristics needed to make confident and informed decisions about their health, mental wellbeing, and relationships. The PKS 'Three Strands' curriculum is centred around three principal threads: **Living in the Wider World**, **Keeping Safe and Healthy** and **Student Leadership and Service**. At President Kennedy, our PRSHE is primarily delivered during morning tutor times, led by the student's tutor, who takes a principal role in pastorally supporting their tutees through positive relationships, as well as being part of class discussions in students' main curriculum subjects. In our curriculum, we have ensured that there are opportunities for verbal discussions and for pupils to consider applicable real-life scenarios so that they can reflect upon and apply the knowledge that they have gained.

Through our PRSHE curriculum, which aligns with the recent Government Statutory Guidance, we aspire to support our pupils to develop resilience, emotional awareness and to know when and how to ask for help, as well as know where they can access support.

Making the Grade ... At GCSE and A Level

Another set of outstanding GCSE results in 2025

The vast majority of our Year 11 students will progress to President Kennedy School's Post 16 to study a vast range of academic and vocational courses. Last year, the school again achieved excellent examination results at A Level and GCSE, either well above the city and national averages or in-line. In 2025, President Kennedy School's GCSE results remained very strong with 60% of our students achieving the important measure of Grade 4 - 9 in both English and Maths.

"Students achieve exceptionally well and above national averages by the end of Key Stage 4.

The progress that students make in English and Mathematics is much better than the progress of students in most schools."

Ofsted

At A-Level, across all subjects, 24% of our students achieved the very top grade of A*/A and 80% of our students achieved a Distinction* or Distinction. The average grade achieved by students studying vocational courses was a Distinction which is an outstanding achievement. 100% of our Post-16 students went onto positive first choice destinations with 88% progressing to a Level 4 + course and 43% going off to the top-ranking universities.

Post 16 Destinations 2025

In Year 13, this year 88% of our students achieved their first-choice university or apprenticeship, with 43% of our students achieving a place on the top 15 ranking universities for their course.

We are fully committed to improving the life chances of all our students and we are incredibly proud of our 'no barriers' approach which allows our students to flourish academically.

2025: Post 16 University Destinations

Aston University	Kings College London
University of Birmingham	University of Lincoln
Birmingham City University	Loughborough University
Cambridge University	University of Liverpool
Coventry University	Manchester Metropolitan University
Keele University	Nottingham Trent University
University of Leicester	University of Sheffield
Cardiff University	University of Sussex
University of East Anglia	University of Warwick
York University	University of Manchester
University of Southampton	University of Nottingham
City St George's London	Loughborough University

Professional Guidance

University Places Secured by President Kennedy School Leavers In 2025

Naeva Joby	Kings College London	Biomedical Science
Nika Polikarpova	University Of Lincoln	Law
Medya Sindy	Groningen University, Netherlands	Aerospace Engineering
Ella Ross	Holbrooks Dental Practice	Dental Nurse Apprenticeship
Daryna Morozova	University of Sussex	Computer Science and Artificial Intelligence
Amesha Gowripalan	City St George's	Diagnostic and Therapeutic Radiography
Sheza Thawfeek	University of Manchester	Midwifery
Jayden Thorpe	University of East Anglia	Marketing and Management
Safa Hojeij	Tetratex, Leicester	Apprenticeship Degree
Shukula Mayar	University of Hertfordshire	Optometry

Our students benefit greatly from the advice and guidance of our careers and Post 16 team.

Over the years President Kennedy School has developed strong working relationships with top universities including: Cambridge University, Warwick University and Birmingham University.

In addition to working with apprenticeship providers to ensure we are able to offer our students a degree of edge over their competitors. This means that our students are able to participate in university access programmes which lead to preferential conditional offers.

Targeted careers events and guidance is offered to all students in every year group.

Monday 12th February to Friday 16th February - Half Term Break

Dear Parents, Carers and Students,

What an amazing week for creativity at President Kennedy School. We are so proud of our returning Alumni student, Melicka who has inspired Year 10 GCSE students on concepts and design ideas and even inspired Mr Sayed!

Last week, we saw the annual performance from The Bridge students who performed Shrek Jr to a packed audience. Great singing and jokes and a few inappropriate 'sounds' which made us all laugh - it was brilliant.

Thank you to the cast and to Ms Kelly and Ms Danni for their professional approach to Performing Arts.

We also saw the first of two Rotary Debating Competitions, this time from Year 7 - well done all.

STEM and enterprise continue shine and provide wonderful experiences for our students. What an amazing week!

Have a great weekend,

Ms Rooke, Headteacher

The Bridge Perform Shrek Jr to a Packed Auditorium!

Year 7 students took to the stage in Shrek Junior - The Musical.

They worked so hard and showed such passion and determination.

The cast performed to a sell-out audience over two nights and every student involved rose to the occasion.

There was much talent on stage - it was hard to believe these students are eleven and twelve years old with only a few weeks worth of rehearsals under their belt!

A massive well done to all - a proud Performing Arts department!

Miss Walsh, Leader of Performing Arts

Year 7 Students Take Part in Public Speaking Debate

On Friday 19th January, Imogen, Rahim and Sultan from The Bridge represented President Kennedy School in a Public Speaking debate. They had to argue either for the motion or against the motion which was, "We should live to eat, not eat to live." They were all fabulous and did themselves proud. Well done all!

Mrs Arnett, Student Leadership and Character, The Bridge

Lamma Show

A group of Year 9 girls recently visited the LAMMA farming and agricultural show at the NEC in Birmingham.

The day consisted of a wide range of activities including a question and answer session with writers and social media admin personnel who work for the Farmers Guardian magazine,

a Locktronics session and a challenge based around planting crops.

Alongside this, students were able to explore the show looking at the wide range of industrial equipment that was on display from tractors to combine harvesters.

Mr Taylor, Leader of developing STEM across the curriculum

Young PKS Entrepreneur

Congratulations to Year 10 Business student Joshua Bell who has set up his own very successful online clothing business

Joshua has given us his personal entrepreneurial journey, and shown examples of how he has used the skills of independence, resilience and problem solving. These are the skills President Kennedy School students are encouraged to develop, as these skills will be needed in order to be successful in the ever-changing work place of the 21st Century.

"Hi, my name is Joshua and since September, I have become an entrepreneur by buying and selling clothes. I specialise in selling coats for men, women and children. I started my business because I wanted to use the knowledge I learnt in my Business lessons to make my own money.

I am very proud of myself because I am the first entrepreneur in the family. I am using the profit I make to buy more stock to sell and to save up so I can go to university when I leave school".

Mrs Petrak, Business Studies Department

Former Student Shares Artistic Flare

We were very lucky to have one of our President Kennedy School Alumni, Melicka Ghafouri back in school for a workshop.

Melicka left President Kennedy in 2020 and has gone on to become a very successful artist. She has been working with numerous brands to design one off customised sneakers.

In the workshop Melicka shared her expertise and taught a Year 10 art class how to come up with a concept and market this.

The theme was 'Summer' and students worked on a design before painting it onto an actual cap. Melicka and Mr Sayed (Head of Art), worked with students to help their vision come to life.

Students expressed that it was initially quite a challenge to work with fabric, but quickly made progress, ending up with amazing pieces of art by the end of the day.

For the final part of the workshop, the class collaborated on a pair of sneakers. They painted something that represented themselves or a hope for the future onto the sneakers.

This was a truly fantastic day, and everyone involved gained so much from the event.

Miss Rejali, Teacher of Religious Education and Leader of Personal Development in Post-16

Win your own copy of the new **Diary of a Wimpy Kid No Brainer**

For a chance to win your own copy of the new book

Diary of a Wimpy Kid – No Brainer

- Go to the Library Website <https://uk.accessit.online/prs12>

We have 4 copies to give away for the best reviews submitted by the closing date.

FANTASTIC BOOKS AND WHERE TO FIND THEM...

This week the Library's recommended reads are...

Tyger by S F Said

In a strange alternate world, where the British Empire is still a cruel ruling force, a young boy called Adam has uncovered something incredible in a rubbish dump in London - a mysterious, mythical animal. A Tyger.

The Tyger is in danger, and Adam and his friend Zadie are determined to help. However, they soon realise it isn't just the Tyger's life at stake: the world they live in is also on the precipice of darkness. Luckily, the two children have great powers within them, and the Tyger can show them how to harness what's inside.

Enola Holmes: The Case of the Missing Marquess by Nancy Springer

When Enola Holmes, sister to the detective Sherlock Holmes, discovers her mother has disappeared, she quickly embarks on a journey to London in search of her. But nothing can prepare her for what awaits...

When she arrives, she finds herself involved in the kidnapping of a young marquess, fleeing murderous villains, and trying to elude her shrewd older brothers - all the while attempting to piece together clues to her mother's strange disappearance. Amid all the mayhem, will Enola be able to decode the necessary clues and find her mother?

Library Staff

Both books are available to borrow from the School Library.

Dates for your Diary

Christmas Jumper/Cultural Dress day - Wednesday 20th December
'Twas the Night' Showcase - Wednesday 20th December 7pm - £2 on the door
School will finish at 1.30pm on Friday 22nd December

Dear Parents, Carers and Students,

It has been an incredible busy two weeks at President Kennedy School. It was wonderful to watch our fantastic Pan Asian Festival and celebrate the richness of our diverse culture at school. The Undivided student-led group should receive special praise for their vision and organisation of such a special event. Thank you to all students who participated and to all staff who helped plan and support the event. We were very lucky to have the Lord Mayor and Lady Mayoress join us in our celebrations. It was a truly inspirational event.

Well done to our talented trampolinists who competed in a competition in Birmingham last Sunday. Another example of 'Kennedy Kids Can'!

Last week we also had a visit from Ofsted, which went extremely well. I was very proud of our hard working staff and amazing students who demonstrated what a fantastic school we have. The report will be published in January. Finally, I'd like to thank you for all your unwavering support as always and hope you have a Happy Christmas! Nadolig Llawen! (Happy Christmas in Welsh)

Ms Rooke, Headteacher

Ms Rooke, Headteacher

Asian Cultural Festival

The Undivided Club recently put on an Asian cultural festival. This is the second annual festival planned by these talented students.

Once again our incredible MCs Hannah Richards and Deja Bailey kicked off the event with a beautiful showcase of cultural clothing in our fashion show. The fashion show was a demonstration of what our club Undivided, stands for; students from all cultural backgrounds working together to represent Asian cultural clothing with pride.

With the support from Ms Rooke and our leadership team we were able to make the event free for all students and members of our community. Guests were able to enjoy the delicious food provided by Tandaks Punjabi street food.

The event allowed us to highlight the exceptional talent from our students with a number of dance performances. Students in Undivided were incredibly supportive of one another and created a heart-warming celebration of culture. Their talent and dedication was truly inspiring.

We thank each and every student and member of staff that helped the event grow into something special. Events like this demonstrate the values of our outstanding school. Miss Rooke says it best "*There is no unity without Community*". When we come together in this way and represent the diverse culture we have in our school, we get to celebrate and appreciate each and every student in our school community in the most special way.

An extra special mention should go out to all of the students involved from the models to the performers!

involved from the models to the performers:
Hannah, Deja, Gurjot, Maryam, Jenny, Sienna, Jia K, Preet,
Jasmine, Ria G, Abshara, Shanaa, Simrit, Balreen, Jiya C,
Sableen, Sheza, Farah, Amelia, Jinuya, Miraje, Azeem, Rochan,
Fares, Katie, Aaron, Presley, Maria, Shanice, Stefania, Meera,
Anaika, Bella, Harman, Kimberly, Pari, Nikita, Annika, Jeremiah,
Jasmitha, Kelly, Kajol, Prabnoor, Jeyani, Shobia, Sherone,
Thashwin, Anu and Shayana.

We are always open to welcome new members into 'Undivided' which takes place Monday after school. We have big plans and more events to come...do not miss out!

Miss Mattu and Miss Marshall

Smart Learner Driving School Fruit Tree Planting

President Kennedy School are delighted to be able to work alongside Smart Learner Driving School to facilitate a tree planting programme to not only offset their carbon footprint but also to be able to enhance our Echo Eternal Curriculum Garden.

In the last three years, this tree planting programme has seen 50

flowering cherry trees planted along with the apple tree orchard that we have just planted.

Tree planting leaves a lasting legacy that people can enjoy for many years to come, let alone the environmental importance of tree planting.

Mr Bromfield, School Gardener

Young PKS Entrepreneur of the Month

Congratulations to Year 7 student Jenny Nwakeocha who has set up her own very successful jewellery business

Jenny has given us her personal entrepreneurial journey, and shown examples of how she has used the skills of independence, resilience and problem solving. These are the skills President Kennedy School students are encouraged to develop, as these skills will be needed in order to be successful in the ever-changing work place of the 21st Century

"Hi, my name is Jenny and since September I have become an entrepreneur by making and selling jewellery. I make bracelets and necklaces out of pearls, crystals and beads. I can also add gold and silver coloured charms according to what my customers have asked for. My jewellery can be worn by children and adults and sell for £3 to £4 each.

I sell my jewellery on the internet website Etsy. My company is called Jenny Nwakeocha Jewellery. The reason why I decided to start running my own business was because I had seen other people do this, and I thought I could do the same. It is good fun and I like being independent with my own money "

Mrs Petrak, Business Studies Department

Oh, Christmas Tree, Oh, Christmas Tree!

On Monday 4th December some members of The Bridge Council decorated our school Christmas Tree in reception.

They did a fantastic job and were excited to be involved. Lots of Christmas cheer was certainly in the air!

Thanks to Paris, Sultan, Dylan and Jaiden for giving up their time to decorate it!

Mrs Arnett, Student Leadership and Character, The Bridge

Foodbank Information

<https://coventry.foodbank.org.uk/get-help/foodbank-vouchers/>

More Former Students Return to PKS

We were very lucky to have a visit from four of our President Kennedy School alumni. Simon Croom, Zohaib Mailk, Alice Robinson and Reece Palmer all left President Kennedy School in different years and have gone onto really exciting career paths that they were able to share with our Post-16 students.

Simon is a Professor of Supply Chain Management at the University of San Diego. Zohaib is a future trainee solicitor. Alice is an executive director at Loughborough's student union and Reece is a talent development advisor at Coventry Building Society. Post-16 students had the opportunity to listen to our alumni talk about their time at President Kennedy School and how they got to where they are now.

This was such a valuable visit and students were thoroughly engaged and asked thoughtful questions. We are looking forward to more alumni visits in the future!

Miss Rejali, Teacher of Religious Education and Leader of Personal Development in Post-16

Trampolining

Since September there has been a trampolining club every Tuesday morning before school to practice for a schools competition. On Sunday 3rd December we took ten students to 'Active 8' trampolining center in Birmingham to compete in a schools competition.

It was a very long day starting at 8am and finishing at 5pm. All students had to perform two routines each and were judged by

a panel of experts. They all performed really well and showed great PRIDE.

Daxton in Year 7 won a bronze medal in his category and the Y9/10 girls team came third in their category.

It was a great experience for all involved and we are very proud of them.

Miss Michell, Miss Twite and Mr Sheridan, P.E Department

Christmas Jumper/Cultural Clothes Day

This year, our Cultural Dress/Christmas Jumper Day will take place on **Wednesday 20th December**. We would kindly ask students to donate £1.00, or an affordable contribution, to support the chosen charity. Charity Meals is a wonderful charity that aims to support families without food, not just in the UK, but across the world.

Our student leaders have offered guidance about what is appropriate wear on this occasion. This will be outlined in tutor time leading up to the event. It is important to highlight that this is **not** a non-school uniform day, but a day to celebrate our diverse culture in our President Kennedy Community. Therefore, jeans, trainers, crop tops, tracksuit tops, tracksuit bottoms, leggings and hoodies are **not** permitted. Any students who do not wish to participate in this event can wear their school uniform.

Thank you for your support!

Children's Nasal Flu Immunisation

Sent on behalf of the School Aged Immunisation Service, Coventry & Warwickshire Partnership NHS Trust

Any parents/guardians who did not submit their child's nasal flu consent form before the portal closed or if their child was absent, unwell or refused on the day of the school session can now book on and attend a local clinic venue for the flu vaccination. Appointments can be booked via the Swiftqueue link below:

<https://www.swiftqueue.co.uk/userlogin.php>

* Please follow the below link to register on to the Swiftqueue system, you will need to attach an email address and telephone number to the account. You can make an account for yourself and add family members on. <https://www.swiftqueue.co.uk/userlogin.php>

Please Note: Appointment slots are 10 minutes maximum. If you think your child requires more time please contact the office on 02476961422 prior to appointment.

* Once you have made an account click on -> Book an Appointment and search for CWP in location -> Search

* You will then see CWP Schools Immunisation Clinics - select Jepson House for Nuneaton Clinics /Locke House for Rugby Clinics/ Woodloes House for South Warwickshire/City of Coventry Health Centre or Central Library for Coventry - > Book an appointment

*Click on the green 'School questionnaire tab' and type in your child's school -> Submit details -> next -> Select Immunisation-> select your preferred time and date -> next -> tick the Terms & Conditions boxes -> confirm.

Once you have made your appointment, you will receive an email and text confirmation.

FANTASTIC BOOKS AND WHERE TO FIND THEM...

This week the Library's recommended reads are...

The Boy Who Slept Through Christmas by Matt Lucas

This Christmas needs to be absolutely perfect, because it's the first one without Mum. Only it all keeps going wrong! The fairy lights are in a tangle, the tree's wonky and the Christmas biscuits taste AWFUL. Soon Leo decides he's had enough - he makes a heartfelt wish that it would all GO AWAY. Then Leo wakes up on Christmas morning - and it's gone!! All of Christmas! But Leo isn't going to let it get away that easily. This is Home Alone meets The Christmas Carol in a hilarious adventure with a big dollop of festive magic. Funny, sensitive and emotional in all the best ways -this warm and seasonal family story touches ever so gently on childhood grief but is wrapped up in a chaotic and heart-warming adventure.

Let it Snow by John Green, Maureen Johnson and Lau

It's Christmas Eve and Gracetown has been buried by snow. But the weather is more than just an inconvenience. When one girl unexpectedly steps off a stranded train, she sets off a series of life-changing events. Soon fourteen pumped-up cheerleaders will descend on the local Waffle House, the Duke's DVD night will be rudely interrupted for a Twister mission, and a lovesick barista will determine the fate of a single teacup pig. As the three stories collide, strangers' cross paths and romance blossoms with heart-warming consequences.

Both books are available to borrow from the School Library.

Library Staff

Dates for your Diary

Monday 24th June to Thursday 27th June - Year 9 & Year 12 Synoptic exams
Wednesday 26th June - Y11 Welcome Evening, Main Hall, 5:15-6:30pm
Friday 27th June - Clearance Morning, Dining area 9:10am to 11:10am
Friday 28th June - Teacher training day /Inset Day - Student are not to come in

Dear Parents, Carers and Students,

It has been an extremely busy few weeks at President Kennedy School. It was wonderful to have a very special visit from Peter Lantos, who shared experiences of his childhood as a Holocaust survivor. It was incredibly moving and very poignant on D-Day. Our students were very touched by his experience and memories and learnt about his life and also his compassion.

Congratulations to Mrs Arnett and The Bridge students who have taken part in The Shakespeare Schools Festivals over the last eight years. It has been because of you and all your amazing performances that President Kennedy School received the Gold Award. Well done!

The P.E department go from strength to strength with the range of opportunities they provide for our students. They have been incredible ambassadors for our school at Baginton Fields Sports Day. They demonstrated PRIDE and received superb feedback from the staff there. Well done.

Thank you to all our dedicated staff at the school, who continue to provide such a wealth of opportunities for our great students.

Tickets are now available on The Albany theatre website for our production of CHICAGO!

I wish you all great weekend.

Ms Rooke, Headteacher

D-Day Remembered with Holocaust Survivor

On 6th June Peter Lantos visited President Kennedy School. Peter is a Holocaust survivor of Bergen-Belsen Concentration Camp.

President Kennedy School has been fortunate enough to receive regular visits from Peter. On this visit, marked by the historical significance of the D-Day, Peter met with several students from Years 8, 9, 10, and 12. He spent the morning unveiling the new signs in the Holocaust memorial garden and speaking to students about what happened to him during the Holocaust.

Some of our Year 8 students then read poems written for Peter to mark the importance of remembrance. Year 10 students then visited the garden and asked Peter some moving questions. Peter spent the next part of the day working with students involved in an 'Echo Eternal' performance last year. The performance was an artistic retelling of Peter's testimony through shadow work and puppeteering.

The students showed Peter their film and then presented him with their experiences of working on the project.

For the final part of the day, Peter met with some students for a discussion on his books. Year 8 students asked Peter about his book 'The Boy Who Didn't Want to Die' and Year 12 students asked him about 'Parallel Lines.'

The questions students asked were deeply thought-provoking and they learned a lot about the importance of peace and reconciliation from Peter's responses.

Students gifted Peter a book of the poems and speeches they had read through on the day as a thank you for all of the time he has devoted to President Kennedy School.

It was a fantastic day for everyone involved, and we look forward to welcoming Peter back in July when he speaks at our Post-16 Ethics Conference.

Mrs Rejali, Teacher of Religious Education and Leader of Personal Development in Post-16

More pictures overleaf...

President Kennedy School Awarded Gold!

Mrs Arnett was delighted when The Bridge students received **The Gold Award** from The Shakespeare Schools Festival. This is in recognition of the number of years President Kennedy School has taken part in the Festival over eight years!

It is an annual celebration of Shakespeare's plays and students from across the city perform his plays at The Belgrade Theatre.

Over the years The Bridge has performed Macbeth, The Tempest, Othello, and Romeo and Juliet.

Mrs Arnett said, "To receive this award is a fantastic achievement! We will participate in the November festival with our new Year 7 cohort- Romeo and Juliet! Watch this space!"

Mrs Arnett, Student Leadership and Character, The Bridge

Loughborough Netball Visit

On Friday 9th June Year 8, 9 and 10 girls went on a netball trip to Loughborough University.

This involved having a coaching session and watching a netball game. The coach said how impressed she was with the girls' skills and how polite they were. The girls got to use the drums during the game to make as much noise as possible.

After the game the girls got to meet some players and took some photos and got some autographs. All girls showed PRIDE and should be really proud of themselves.

Miss Michell, PE Department

Sports Day!

On Wednesday 19th June we had Year 9 and 10 sports leaders go to Baginton Fields school to lead their sports day.

The girls were involved with setting up the events, leading on the events and adapting the games to suit all of the student's needs.

We had several staff members comment on how impressed they were with the girls. Well done to all involved!

Miss Michell, PE Department

Youth Sport Trust Event

Last Tuesday we took four sports leaders and nine Year 7 students to an inclusive sports festival in Solihull. The sports leaders attended a Youth Sport Trust event in March to learn all about how to be a good leader.

The leaders led a sports festival for our Year 7s and students from other schools.

The Youth Sport Trust representative said that our leaders showed 'great leadership skills' and that she was really impressed with them. Three of our nine Year 7 students also won a medal for resilience which were given to them by sports leaders from different schools.

Miss Michell, PE Department

Getting Ready for Transition

As part of President Kennedy School journey, The Bridge offers a number of transition opportunities to students who have secured a place a President Kennedy School in September.

These short but invaluable visits are a great way for students to feel more confident about starting school and it enables them to get a real understanding of where things are and what it feels

like to be part of The Bridge and to meet some of the key Bridge staff that will be supporting them next year.

We look forward to seeing them again on transition evening, summer school, and, of course, in September

Mr Townsend, Progress Leader, The Bridge

Coventry Family Portal

There is a New Coventry Families portal @ www.coventryfamilies.co.uk ~ this is the place for families, and all those that are supporting families, to access all the information that they need to help their family thrive. There is a new Family hub film that has now been launched to celebrate and promote the Family hubs and what they offer.

OUR SCHOOL

They look in the mirror: 'Oh what a style,
I'm rocking this gold, azure stripy tie.

Blue blazer, grey trouser
What perfection.'

They're all ready for today's exciting Bridge action.

Blue blazers come together yet showcase our diversity.

We unite together as one beautiful community.

Meeting his peers at the corner shop

There are many scoffing breakfast, their usual pit stop.

Down the streets, with the wave of blues,

Accompanying their comrades

Catching up on the news

Through the gates, where the knowledge awaits!

Practicals and debates with your classmates.

Algebra, STEM cells, poetry by Thomas Moore

All this happens behind our silver doors!

The sound of a whistle cuts through the morning air

There's a rush of excitement as we head to our chair

Today is another day, let's go for success,

There are no limits – we just do our best!

The lessons begin!

It's time for thinking.

The curiosity is endless

Explore each and every interest!

The final bell rings,

We pack up our things.

Time for Enrichment clubs and more,

There are so many things in store.

In our Bridge family,

You should never be lonely.

Be the rainbow in somebody's cloud –

Be kind and be proud!

It was another day full of adventures,

And we're all one step closer to

'Building Brighter Futures!'
