Introduction

1. The Futures Trust and its Trustees are committed to supporting young people to help them stay on at School after 16 years of age. It is the aim of the Trust to support the most vulnerable young people towards benefitting from the 16-19 Bursary Fund that has been established by the DfE.

The 16-19 Bursary Fund

2. The Government has set aside some money for schools to allocate to young people who need financial support to stay on in further education or training. This is called the 16-19 Bursary Fund.
3. It can help with any education-related costs that may arise during the school year, including essentials like a meal during the day or transport to school, college or training provider. Or it might help to buy books, clothing or equipment for courses, or pay for educational visits.

Bursaries available

4. There are two types of bursary:

(A) **Vulnerable Student Bursary** of up to £1,200 for students who:

- are in local authority care or have recently left local authority care; or
- receive Income Support or Universal Credit (a new benefit which will replace Income Support) in their own name; or
- are disabled and receive both Employment Support Allowance (ESA) and Disability Living Allowance (DLA) or Personal Independence Payments (a new benefit which will replace Disability Living Allowance) in their own name. (These two benefits must be in combination.)

5. Funding for vulnerable groups is held centrally by the Student Bursary Support Service (SBSS) and the schools will apply for the funding on behalf of the student. The schools will hold back any payments if the criteria is not met.

Definitions of young people in local authority care:

6. Definitions as follows:
 - Eligible children ('looked after'): this is a child who is looked after, aged 16 or 17, and has been looked after for a period of 13 continuous weeks or periods amounting to 13 weeks, which began after s/he reached 14 and ended after s/he reached 16.

- Relevant children ('care leavers'): this is defined as a child who is not looked after, is aged 16 or 17, and was, before s/he ceased to be looked after, an eligible child.
 - Former relevant children ('care leavers'): this is defined as a young person who is aged 18 or above, and has been either a relevant child and would be one if s/he were under 18, or immediately before s/he ceased to be looked after at 18, was an eligible child.
7. The schools are responsible for assessing if students are eligible to receive a vulnerable bursary payment and for retaining evidence to support the decision. The schools will only submit a vulnerable bursaries funding claim to the SBSS when they have seen and verified appropriate evidence that the student is eligible.

Evidence of eligibility

8. For example:
- For students in receipt of qualifying benefits, a letter from Department for Work and Pensions (DWP) that states the benefit the student is entitled to (they must be entitled to the benefits in their own right). The evidence must confirm that the young person can be in further education or training (some young people in receipt of benefits are not allowed to participate).
 - For students who are in care or a care leaver, written confirmation of their current or previous looked-after status from the relevant local authority - this is the local authority that looks after them or provides their leaving care services. The evidence could be a letter or an email but must be clearly from the local authority.
9. The vulnerable bursary can be paid for each academic year the student is in education or training, as long as they continue to meet the scheme eligibility criteria.
10. For payments to be made, the schools require the Bank Details Form and Bursary Application Form returned to the Post 16 Administrator. The schools will also require proof of the student bank account details in the form of a bank statement or bank card with student name and account number on.

(B) Discretionary Bursary

11. Students can apply for a Discretionary Bursary if they aren't eligible for a Vulnerable Bursary but need financial help to stay on in further education or training.
12. The schools receive a limited amount of funding each year and need to ensure it gets to the students who most need the financial help to stay on in further

education or training. The amounts received by the schools will influence the amount which individuals can be paid.

13. The schools will establish the number of students who have applied for financial support and then match with DfE funding. Some students will not qualify or will not receive the level of funding we would like to provide because of financial constraints on the schools. Funds will be allocated in line with the 16-19 Bursary Guidance.
14. Applicable to students who experience unexpected financial hardships that would detrimentally impact on their ability to access education. Whereby, discretionary bursary payments would remove the barriers from the student enabling continued educational experience in school.

Proof of entitlement

15. To be eligible for consideration, students must be in receipt of Free School Meals (FSM).

Other circumstances for eligibility of a Discretionary Bursary

16. Where students are in receipt of the Disability Living Allowance/Personal Independence Payments they must also receive Employment Support Allowance as well to qualify for a Vulnerable Bursary. If students receive just one of these benefits, they can apply for a Discretionary Bursary. The schools will need to see evidence that proves a student is eligible to apply. This could be a letter from the Department of Work and Pensions confirming the types of benefits paid.

How to Apply

17. To apply for a bursary, students must be at least 16 years old and under 19 years old at the start of any academic year (this is generally 1st September). Students must also be taking part in full time or part time further education or training.
18. An Application Form can be obtained from either the Post 16 College Director or Post 16 Administrator, who will be able to advise students on what they need to do.

16-19 Bursary Fund eligibility criteria:

19. To be eligible for consideration, students must be in receipt of FSMs as notified by the local authority.
20. Setting up process:

- i. Student's parent applies to the local authority for FSM – online. ii. Schools will be notified weekly of students who are eligible for FSM.
- iii. Letter (appendix 1.0) sent from schools to inform parents that student is eligible to claim Bursary Fund. Enclose Bank Details Form and Bursary Application Form (appendix 1.1). BAF will be used as evidence that parent has received the letter with all details of bursary processes and payments and Terms and Conditions of Bursary Fund (appendix 4.0). Enclose Claims Process Information (appendix 3.0) and List of Claimable Items (appendix 3.1).
- iv. Email (appendix 2.0) sent to individual students by Post 16 Administrator confirming eligibility for Bursary Fund. Attach copy of letter sent to parents with Claims Process Information, List of Claimable Items and Terms and Conditions.
- v. Bursary Fund file set up for individual students for receipt collection and claim forms (kept in Post 16 admin. office).

Claims process:

21. Students can only claim after the following are confirmed and forms received by Post 16:
 - Eligibility for FSM confirmed (Council list).
 - Bank Details Form returned with copy of bank card or statement from bank showing account number and student name.
 - Bursary Application Form returned, signed by parent/guardian.
22. Students MUST present receipts for items purchased to the Post 16 Administrator.
23. Receipts and other payments* will be collated by the Post 16 Administrator and the Post 16 Pastoral Leader and then processed through the school Finance Department.
24. Payments will be made directly into the student bank account at the end of each half term.**

**Some school events may be paid for directly from the Bursary Fund. In this instance the school finance department should create a receipt for Post 16 to place on Bursary Fund file for tracking purposes.*

***Advance payments may be available in some circumstances. This will be at the discretion of the Post 16 College Director.*
