The Importance of Attendance

- 1 Good attendance is a learned behaviour, and at President Kennedy school we recognise the importance of developing good patterns of attendance from the outset.
- 2 We believe that if students are to benefit from education, good attendance is crucial. As a school we do all that we can to ensure maximum attendance for all students. Any problems that prevent full attendance will be identified and addressed as speedily as possible.
- 3 It is the role of the school, the parents/carers and the Local Authority to encourage full attendance and punctuality.
- 4 Our school will give a high priority to conveying to parents and students the importance of regular and punctual attendance. We recognise that parents have a vital role to play and that there is a need to establish strong home-school links and communication systems that can be utilised whenever there is concern about attendance.
- 5 It is the policy of our school to celebrate achievement. Attendance is a critical factor to a productive and successful school career. Our school will actively promote and encourage 100 per cent attendance for all our students.
- 6 If there are problems which affect a student's attendance we will investigate, identify and strive in partnership with parents/carers and students to resolve those problems as quickly and efficiently as possible. We will adopt a clearly focused approach aimed at returning the student to full attendance at all times.
- 7 An effective whole school culture of high attendance is underpinned by clear expectations, procedures, and responsibilities. All school leaders, school staff, students and parents/carers must understand these expectations. Whilst every student has a right to a full-time education a high attendance expectation will be set for the students and year groups e.g. Colleges. This policy will be applied fairly and consistently but considering the individual needs of students and their families who have specific barriers to attendance.
- 8 In development and implementation of this policy, the school considers their obligation under the Equality Act 2010 and the UN convention on the Right of the Child.
- 9 For the most vulnerable students, regular attendance is also an important protective factor and the best opportunity for needs to be identified and supported. Research has shown associations between regular attendance from school and a number of extra-familial harms. This includes crime 90% of young offenders had been persistently absent.

Legal Framework

- 10 Section 7 of the 1996 Education Act states that parents must ensure that children of compulsory school age receive efficient full-time education suitable to their age, aptitude and any special educational need they may have. It is the legal responsibility of every parent to make sure their child receives that education either by attendance at school or by education otherwise than at school. A child is of compulsory school age at the beginning of the term following their 5th birthday. A child ceases to be of compulsory school age on the last Friday in June of the school year in which they reach the age of 16.
- 11 The government expects all schools and local authorities to:
 - 12 · Promote good attendance and reduce absence, including persistent absence.
 - 13 · Ensure every pupil has access to full-time education to which they are entitled.
 - 14 · and act early to address patterns of absence.
- 15 Parents are expected to perform their legal duty by ensuring their children of compulsory school age who are registered at school attend regularly.
- 16 In accordance with the Education Act 1996, we will work with parents and carers and the Local Authority to ensure that parents are supported to secure education for children of compulsory school age. Where required, we will formalise support and where necessary, work with the LA to use legal measures.
- 17 A “Parent” is defined as:
 - Any natural parent, whether married or not
 - Any parent who, although not a natural parent, has parental responsibility as defined in the Children Act (1989) for a child or young person
 - Any person who, although not a natural parent, has care of a child or young person

- 18 The Local Governing Board/Trustee Board of President Kennedy School recognises the importance of school attendance and promotes it across the school's ethos and policies. They take an active role in attendance improvement by:
- Supporting the school to prioritise attendance, and work together with leaders to set whole school cultures.
 - Ensuring school leaders fulfil expectations and statutory duties.
 - Ensuring school staff receive training on school attendance.
 - Regularly reviewing attendance data and help school leaders focus support on the pupils who need it

Expectations of the School

- 19 To develop and maintain a culture that promotes the benefits of good attendance and acknowledges and rewards a successful record of attendance.
- 20 The school will encourage parents/carers to be actively involved in promoting their child's attendance.
- 21 To ensure a consistent approach throughout the school.
- 22 To accurately complete admission and attendance registers.
- 23 Accurate registers will be taken in the morning Tutor period and all 5 lessons during the day.
- 24 To have robust daily processes (First day calling) to follow up absence.
- 25 To record and monitor attendance and absenteeism and apply appropriate strategies to minimise its occurrence.
- 26 The school will work towards ensuring that all students feel supported and valued.
- 27 The school will send a clear message to all students that if they are absent, they will be missed.
- 28 The school will consult with all members of the school and the Children's and Family First team and will work together in developing and maintaining the whole school attendance policy.
- 29 The school will ensure that all staff are aware of the requirements of the registration process and that they receive training on Registration Regulations and the Law relating to attendance.
- 30 The school will ensure that regular information will be sent to parents/carers and students informing them of attendance rates and related issues.

- 31 Use data to identify students at risk of poor attendance and to act upon this by working with each identified student and their parents to understand and address the reasons for absence, including any in-school barriers to attendance.
- 32 The school will promote positive staff attitudes to students returning after absence.
- 33 The school will ensure regular evaluation of attendance policy and procedures by the school Leadership Team and the School Governors as part of the school improvement plan.
- 34 The school will ensure that consistent and vigorous attendance monitoring and evaluation procedures will be in place.
- 35 To have a dedicated senior leader with overall responsibility for championing and improving attendance.
- 36 To have a clear attendance policy on the school website which all staff, students and parents/carers understand.

Expectations of students

	Attendance Matters	Equals days absent	Approx. weeks absent	Lessons missed	Risk of underachievement
100%	Excellent	0 days	0	0	accessing all learning opportunities
98%	Very Good	2 days	0.4 weeks	10 lessons	
96%	Good	5 days	1 week	25 lessons	
95%	Average for the school	10 days	2 weeks	50 lessons	a few learning opportunities missed
93%	Room for improvement	15 days	3 weeks	75 lessons	Risk of underachievement
90%	Unsatisfactory Well below average	20 days	4 weeks	100 lessons	High risk
85%	Poor	30 days	6 weeks	150 lessons	Severe risk
80%	Real cause for concern	40 days	8 weeks	200 lessons	Extreme risk

If the attendance figure is 85% or below and you cannot prove a good reason for the absence the parent/carer risks being fined or taken to court

- 37 Students are required to attend school for 190 days each year and parents/carers must ensure they attend. The national target for attendance is at least 97%. The impact of poor attendance on achievement is shown above.
- 38 Although for ease of understanding the % above are worked out from 200 days – any absence effects the student’s ability to access all learning opportunities.

Expectation of Parents/Carers

All parents/carers

- 39 Ensure their child attends every day the school is open except when a statutory reason applies.
- 40 Ensures their child is punctual every day.
- 41 Ensures the school has at least two up to date contact numbers in case of emergency.
- 42 Notify the school as soon as possible when their child has to be unexpectedly absent (e.g. sickness) preferably on the first day of absence and if possible indicate the potential day of return.
- 43 Only request leave of absence in exceptional circumstances and to do so in advance (preferably 20 school days).
- 44 Book any medical appointments around the school day where possible.
- 45 Attend meetings about their child's attendance; support the school in responding to concerns regarding attendance
- 46 Section 444(1) of the EDUCATION ACT 1996 states that 'IF a child of compulsory school age who is registered student at a school fails to attend school regularly at the school the parent is guilty of an offence'.
- 47 Parents DO NOT have an automatic right to take their child out of the school for a holiday or any other period of extended leave during term time.
- 48 Only the school within the context of the law can authorise absence and this does not oblige the school to accept the reason for the absence.
- 49 All unexplained absences will be investigated and parents/carers will be kept informed about any attendance concerns.

Support for students with medical conditions or SEND with poor attendance

- 50 Work with the school and local authority to help them understand their child's barriers to learning.

Parents/Carers of students at risk of becoming persistently absent

- 51 Work with the school and local authority to help them understand their child's barriers to attendance.
- 52 Proactively engage with the support offered to prevent the need for more formal support.

Parents of persistently absent students

- 53 Work with the school and local authority to help them understand their child's barriers to attendance.
- 54 Proactively engage with the formal support offered – including a contract or voluntary early help to prevent the need for legal intervention.
- 55 Parents/carers who fail to fulfil their responsibility can expect legal action: this may include Penalty Notices/Fast Track to Prosecution/Parenting Orders.

Persistent Absenteeism

- 56 A student becomes a 'persistent absentee' (PA) when their attendance falls **below 90%** at any time during their school life. Absence at this level is detrimental to a child's education.
- 57 All students whose attendance has fallen to 85% or are at risk of moving towards the PA will be monitored rigorously through the school 'tracking procedure'.
- 58 Support and action towards all PA students are automatically reviewed on at least a weekly basis.
- 59 If the student and family fail to work with the school and external agencies to get the student to engage with the school and their learning then this could lead to prosecution.

Supporting and re-integrating students on long term absence

- 60 Pastoral Leaders alert Subject Leaders about long term absence and parental requests for work to be completed at home. Subject Leaders organise setting work, leaving it for collection and the marking of returned work.
- 61 Students who have been absent long term and who need to catch up on school work will spend a negotiated amount of time in the Student Support Centre doing work set by Subject Leaders and managed by the Pastoral Leader with the Head of Student Support. Some students returning after long term absence will be considered for an alternative curriculum involving fewer subjects and some study time in the support centre until they are able to integrate fully into the mainstream curriculum. Students who are school phobic or who have undergone recent crisis will be supported by the Student Support Centre as appropriate.

Tailored Support

- 62 At President Kennedy School we recognise that poor attendance can be an indication of difficulties in a family's life. This may be related to problems at home and or in school. Parents are encouraged to inform school of any difficulties or

changes in circumstances that may affect their child's attendance and or behaviour in school, for example, bereavement, divorce/separation, emerging health concerns. This will help the school identify any additional support that may be required.

- 63 We also recognise that some pupils are more likely to require additional support to attain good attendance. The school will implement a range of strategies to support improved attendance based on the individual needs and circumstances of the child.
- 64 To plan the correct support, we will always invite parents and pupils to attend a meeting to discuss the concerns and devise a plan to support the child's regular attendance. Support offered will be child centred and planned in discussion and agreement with both parents and pupils. This may include a referral to Early Help or a Parenting Contract.

Persistent Absence and the use of legal interventions

- 65 A pupil becomes a 'persistent absentee' (PA) when their attendance drops to 90% and below for any reason. Over a full academic year this would be 40 sessions (20 days). Absence at this level is causing considerable damage to a child's educational prospects.
- 66 The attendance of all pupils at our school are monitored to identify children who are PA, or are on track to becoming PA. Where emerging concerns are identified we will instigate appropriate and timely interventions as outlined in the section above. Referrals may also be made to external agencies for targeted support.
- 67 If parents fail to engage with support and their child continues to have unsatisfactory attendance/ punctuality, a request may be made to the Local Authority to pursue legal proceedings either through a penalty notice or prosecution in the Magistrates' Court.
- 68 Parents found guilty in a Magistrates' Court of failing to secure their child's regular attendance at school under the provisions of the Education Act 1996, will receive a criminal record and a maximum penalty of a £1000 fine under a Section 444 (1) offence or a £2500 fine or up to a 3-month prison sentence, under a Section 444 (1a) offence.

Fixed Penalty Notices

- 69 Fixed penalty notices will be issued by the Headteacher to parents or carers if your children are absent from school for the following reasons:
- Unauthorised holiday / leave of absence during term time;

- Irregular attendance including persistent late arrival to school (after registration has closed) which equates to 10 or more sessions within a current 5-week period.
- 70 Penalty Notices will be issued by post to your home address to each parent or carer by the local authority at the request of the Headteacher. The Penalty Notice is:
- £60 for each of your children if paid in full within 21 days
 - £120 if paid in full after 21 days but within 28 days.

Part-Time Timetables

- 71 All students of compulsory school age are entitled to a full-time education. In very exceptional circumstances, where it is in a student's best interests, there may be a need for a temporary part-time timetable to meet their individual needs. For example, where a medical condition prevents a student from attending full-time education and a part-time timetable is considered as part of a re-integration package.
- 72 A part-time timetable should not be used to manage a student's behaviour. A part-time timetable must only be in place for the shortest time necessary.
- 73 Any pastoral support programme or other agreement must have a time limit by which point the student is expected to attend full-time, either at school or alternative provision.
- 74 There should also be a formal agreement in place for regular reviewing it with the student and their parents. By agreeing to a part-time timetable, the school will agree to a student being absent from the school for part of the week or day and will therefore treat the absence as authorised.

Start of the School Day

- 75 Poor punctuality is not acceptable: students who consistently arrive late for the school day disrupt learning and miss out on valuable teaching time.
- 76 Students should arrive at school by 8:40am.
- 77 By 8.45am students should be in their registration room or at their assembly gathering point.
- 78 Students who arrive after 8.45am must report to student reception: their time of arrival at school will be recorded by the member of staff on duty.
- 79 All students late without a valid reason will be expected to attend a 15-minute detention on the day. Repeat offenders will expect to receive longer detentions after the learning day finishes.

- 80 Students are expected to remain in the school all day and will not be allowed to leave the school site without permission.
- 81 Truancy from the school is taken very seriously and parents/carers will be informed at the earliest opportunity.
- 82 Students who truant from lessons will be expected to make up the time they have missed and usually on the same day.

Late Arrival to School

Late per day during the school year	Equals days worth of teaching lost in a year
5 minutes	3.4 days
10 minutes	6.9 days
15 minutes	10.3 days
20 minutes	13.8 days
30 minutes	20.7 days

- 83 When students arrive late at school they miss the tutor's instructions and the induction to the lesson.
- 84 Frequent lateness can add up to a considerable amount of learning lost, and can seriously disadvantage the student's education.
- 85 Fixed penalty noticed may also be issued for persistent lateness.

During the school day

- 86 Staff must know where children are at all times and therefore communication between staff is vital to ensure Colleges know where their students are
- 87 Students may only leave during the school day following clear communication between the parent/carer and the College.
- 88 Students leaving site must sign out at student reception.

End of the school day

- 89 The main school day ends at 3pm and students may only leave before then with permission from parents/carers and the school.

Information for parents/carers

How to inform the school of the reason for an unexpected absence?

- 90 The school should be notified before **8.30am** on the first day of absence. The school has a designated email address for the reporting of absence which allows parents/carers to report at any time. Please email absence@pks.coventry.sch.uk. Alternatively, parents/carers can report their child's absence by calling the school on **024 7666 1416** and selecting option 1.
- 91 Please provide the following information when emailing or calling:
- **Full name** of the student
 - Year and **Tutor Group**
 - The **reason** for the absence
 - Potential **day of return**.
- 92 If possible please update the school daily. If the illness/reason/absence is to be extended please let us know.
- 93 We would like to know about absences by 8.30am each day so that we can make College Teams/Tutors aware by the start of registration at 8.40am.
- 94 If we don't hear from you and your child is absent the school will send 'Keep Kids Safe' message by 10.00am to which you can then reply, but we would prefer to know earlier.
- 95 Pastoral teams may however, still contact you if they are in any way unsure about an absence. This is about protecting the children and ensuring they are not missing school unnecessarily.

Granting Leaves of Absence

- 96 Only exceptional circumstances warrant a leave of absence. The school will consider each application individually considering the specific facts and circumstances and relevant background context behind the request.
- 97 Headteachers shall not grant any Leave of Absence during term time unless they consider there are exceptional circumstances relating to the application.
- 98 Each application for a Leave of Absence will be considered on a case by case basis and on its own merits.
- 99 If a leave of absence is granted, it is for the Headteacher to determine the length of the time the student can be away from school.
- 100 The Headteacher may only grant leaves of absence in exceptional circumstances and it is unlikely a leave of absence will be granted for the purposes of a family holiday.

- 101 Parents/carers do not have any entitlement to take their children on holiday during term time. Any application for leave must establish that there are exceptional circumstances and the Headteacher must be satisfied that the circumstances warrant the granting of leave.
- 102 Applications for Leave of Absence must be made in advance preferably 20 school days (4 weeks) before the period of absence and failure to do so will result in the absence being unauthorised.
- 103 Applications for Leave of Absence which are made in advance and refused will result in the absence being unauthorised which may result in legal action against the parent, by Fixed Penalty Notice, if the child is absent from school during that period.
- 104 If a Fixed Penalty Notice is issued and is not paid within the timeframe set out in that Notice, the matter will be referred to Coventry City Council's Legal Services to consider instigating criminal prosecution proceedings under Section 444 of Education Act 1996.

Medical and Dental Appointments

- 105 These should be made outside of school hours, but where this proves impossible, an appointment card or note from a parent/carer should be provided. Students are then required to produce the note or card signed/authorised by the College Team before they sign out at student reception.

Pupil Absence for the purposes of Religious Observance

- 106 President Kennedy School recognises and acknowledges the multi-faith nature of British society and recognises that, on some occasions, religious festivals may fall outside school holiday periods or weekends and is recognised as such by a relevant religious authority.
- 107 School will consider either authorising the student absence or making special leave for religious observance. Parents/carers are requested to give advance notice to the school.

Working with other Agencies

108 Poor school attendance can be result of difficulties, faced by a child or family, and a cause of other problems such as exclusion: students with low levels of attendance tend to have other complex issues therefore a co-ordinated approach by a number of agencies can assist these students and their families. Regular referral meetings with outside agencies are held to support the co-ordination of service provision and to build on good practice.

Working with the Police on Truancy

109 The school will cooperate fully with the West Midlands Police. The named person for the Police to contact is the Deputy Headteacher.
