Dear Parent/Carer

Welcome to 'The Bridge Transition Pack'. We are delighted that your child will be joining us in September 2021.

Sadly, due to the Coronavirus pandemic, we are unable to see you and your child in person this year to show you what we have to offer you in September.

Our dedicated Year 6 to Year 7 website page will be our way of sharing as much information as possible with you and your child. This webpage gives us the opportunity for you and your child to familiarise yourself with The Bridge, and also get to know the Bridge Team who will be working closely with your child.

We hope that this will also give you some clarity about what to expect when your child starts secondary school, as well as some background information about each Year 7 tutor. This transition pack will also inform you of the range of outstanding learning and enrichment opportunities and highlights the outstanding ethos and expectations in The Bridge.

We hope you will find this informative. Please do not hesitate to contact us at school with any queries. Emails can be sent to transition@pks.coventry.sch.uk. We recognise that the transition from primary to secondary is such an important time in your child's education.

We look forward to meeting you and your child in September.

Have a lovely summer.

Take care and stay safe.

Yours sincerely,

Mr N Clayton
Headteacher

Being an Outstanding Bridge Learner means...

BEING COMMITTED TO YOUR LEARNING

Having your Bridge Five out on the desk ready to learn.
Working independently in class to demonstrate your capabilities.
Collaborating with your peers about your work, developing each other in your learning.
Contributing ideas and answers to your teachers regularly, engaging in your learning.
Using all resources in The Bridge to develop your oracy, literacy and numeracy skills.
Using standard English in oracy in all your lessons.
Using accurate SPaG and formal language in your writing in all subjects.
Asking your teachers relevant questions that will help you develop in your learning.
Showing PRIDE in all your lessons through positive learning habits and outstanding presentation.
Being able to articulate the skills and knowing how to improve in your learning.
Demonstrating respect to fellow pupils and teachers.

BEING PUNCTUAL

Getting up on time, so that you are in school before 8.40am.
Getting washed, dressed and ready to walk out of the door with everything you need.
Leaving the house to get to the bus stop or to school on time.
Going straight home unless you are involved in an Enrichment activity.

TAKING PRIDE IN YOUR UNIFORM

Knowing and following the school rules regarding uniform, including footwear.
Making sure everything is prepared the night before.
Making sure a full President Kennedy PE kit is taken to school on the day it is needed.

BEING IN THE RIGHT PLACE AT THE RIGHT TIME

Being in The Bridge for 8.40am - at the latest.
Knowing what lessons take place on a particular day.
Knowing where the classroom is for each lesson.
Getting to lessons on time – especially after break and lunch.

ORGANISING YOUR BOOKS AND EQUIPMENT

Having a good system for looking after your books and equipment.
Reading your timetable to know what lessons you have each day.
Knowing what equipment is needed for each lesson (e.g. ruler, compass, calculator, PE kit.).
Using the planner to write down important notes and messages, to refer to as a reminder.
Having a bag packed with everything needed for the day.

BEING RESPONSIBLE FOR YOUR HOMEWORK

Writing down your homework in your planner correctly, with all the information you need.
Recording the date on which it is due to be handed in.
Asking for more details if you are not sure what the task means and checking with the teacher if you are not sure what books you will need etc.
Using your planner to remind you of what you have to do and having your planner signed weekly.
Contacting your teacher (in person or via email) about your homework if you are unsure - before the day it is due.

Pride:

You look after the physical and emotional wellbeing of yourself and others, including the school, family and friends. You have a moral purpose and show self-control and discipline in striving to reach it.

Respect:

You display excellent social intelligence, demonstrating self-control and discipline in how you conduct yourself with other people and the environment.

You consistently use appropriate manners and show gratitude to others. You put the needs of others before your own.

Involvement:

You show zest and curiosity for rich and relevant experiences. You are thirsty for knowledge and new skills, and want to make a valuable contribution to the community.

Determination:

You show grit and discipline in your drive to reach your goals. You never quit and are prepared to be resilient, independent and positive in finding ways to overcome barriers to success.

Excellence:

You aspire and strive to do your best at all times, using relevant strategies and skills to do so.

You consistently have a positive impact on other people.

You have a plan for how you will achieve amazing success.

Character was defined by Aristotle as:

“Thinking, acting and feeling in ways that are beneficial to yourself and others.

Doing the right thing, at the right time, in the right way.”

Year 7 Curriculum Overview

English	In Year 7 English, you will study a range of texts and genres that will allow you to find and develop your voice. Your studies will span from the origin of stories to how stories are told in the modern day, exploring the forms of plays, novels, poetry and non-fiction. You will be on your own personalised pathway where your teachers will be guiding you to read, write and speak with authority so that you have the tools to thrive at President Kennedy School.
Maths	In Year 7 Mathematics, you will continue your numeracy journey which started in primary school. Your studies will be deepening your knowledge of a range of concepts from number, algebra, geometry, statistics, probability, ratio and proportion and how they entwine with each other. Mathematics is a universal subject and therefore you will continue to develop your ability to think, question and communicate like a mathematician.
Science	In Year 7 Science, you will study many different concepts; from tiny particles that make up everything around you to how energy is transferred around the world. In all three sciences we look at how to be a scientist, how to question the world around you and find the answers. In Biology we investigate how living organisms interact and the key processes of life. In Chemistry we explore what makes up our world and how particles can react. In Physics we consider the energy stores and transfers in our world and in everyday situations.
Geography	In Year 7 Geography, your study will begin with our local area of Coventry to understand a range of geographical concepts including how people live and the reasons our settlement developed. You will continue your learning journey to explore the ways in which you are connected to the rest of the world and the implications of this on people around the world. Throughout this, you will develop the skills to think critically about the world we live in and how you can make a difference.
History	The Year 7 Learning Journey covers 2 key areas of British History. <i>'Power and the People in the Middle Ages'</i> focusses on the struggle for power and the daily challenges to people's lives. <i>'The World Turned Upside Down'</i> follows the upheaval of the Tudor and Stuart eras. You will be engaged in tasks which will strengthen your writing and oracy skills, improve your understanding of chronology, learn to question historic sources and develop greater empathy.
I.T	In Year 7 IT you will learn all about the incredible world of technology. You will discover how computers work, and learn how to ensure you safely engage with technology. You will become competent users of various IT programs applying yourselves to many fun and exciting projects along the way. You will explore concepts of programming creating interactive stories and animations.

Spanish	Year 7 Spanish is exciting, fun and full of variety throughout the year. We start Year 7 by concentrating on the phonics and play a wide range of games to ensure everyone is secure in the pronunciation of the language. We then continue with Langlovision, a singing competition in Spanish and start to develop reading and writing skills through song. After Christmas, we continue to learn the language through film and continue to develop our four main skills of listening, speaking, reading, and writing. Our final topic in Year 7 is 'Home' where you are taught how to discuss and write about your home and area. Our experienced staff will ensure you enjoy and excel in Spanish, and we look forward to meeting you all in September.
PE	In Year 7 PE, you will participate in a range of team and individual sports, where you will practice skills, take part in conditioned games and full sided games. You will develop your own personal fitness, begin to understand tactics and rules and understand how best to work as a team. There will also be the opportunity to represent the school in many different sports.
Technology	In year 7 Design and Technology, you will learn a range of different skills that will allow you to develop your creative abilities and deepen your understanding of these and precision of these. We will work on a number of projects exploring your skills in Textiles, Product Design and Food.
Music	In Music, you will develop your instruments skills by learning to play an instrument and practice performance skills and techniques such as melodies, harmonies, rhythms using music notations, understanding characteristics and features of different styles of music. You will also explore different music through active listening, analysing concepts to develop your own appreciation for music.
Art	Within Art, Year7 Students study <i>Cubism</i> and learn about Picasso and his artwork. You will be taught the elements of drawing such as <i>Line and Tone</i> and you will be introduced to <i>Colour Theory</i>, learning about Primary Colours and Secondary colours. In addition to this you will be exploring the use of watercolour and acrylic paints to create your very own Cubist piece of art.
Performing Arts	Year 7 Performing Arts is a diverse and inclusive subject where all students can learn to be creative, confident and skilled performers. We offer a variety of topics both practically and theoretically to enhance students' knowledge and understanding of the different skills in dance, drama and vocal. Within performing arts, students get an opportunity to take a leap out of their comfort zone and gain an in depth understanding of how to be imaginative and communicate with peers in a unique and fun way.

The Bridge Team

Mrs Alexander-Wellar

Director of The Bridge

Mrs Alexander-Wellar oversees the provision and performance within The Bridge, ensuring that every student achieves their potential and demonstrates outstanding character in everything they attempt.

Mrs Alexander-Wellar will ensure that high standards are maintained in every aspect of school life.

Mr Townsend

Progress Leader

Mr Townsend is an experienced teacher and the member of staff responsible for ensuring that every child in The Bridge makes outstanding progress.

He is responsible for an extensive and much praised enrichment programme tailored to the needs and interests of our Year 7 students.

Miss Griffin

Your Tutors

Miss Newbold

Hi Year 7.

Welcome to Coventry University.

I am really looking forward to meeting you all when you join President Kennedy School in September.

My name is Miss Newbold and I am leader of Girls PE. I am a very competitive tutor and I love to win. I really enjoy playing sport and keeping fit.

My favourite time of the year is when my tutor group participate in the Year 7 Inter-Form football competition.

I enjoy seeing my students show their competitive side and their ability to work as a successful team in the classroom and in sport.

I look forward to meeting you.

Mr Ferrater

Hello Year 7.

Welcome to Warwick University.

My name is Mr Ferrater and I cannot wait to be your tutor when you arrive in The Bridge!

I am a Science teacher in President Kennedy School, so as you can imagine I LOVE doing experiments and having fun learning.

In my spare time I love games, escape rooms, riddles and learning about Medieval times.

I am running a Board Game Club in The Bridge exclusive for Year 7 if you want to come and join in the fun.

In 7 Warwick we represent positive energy, determination, pride and loyalty.

My job is to make you proud of being part of the best tutor group in The Bridge.

Mr Channer

Hello Year 7.

Welcome to Birmingham University.

My name is Mr Channer and I have taught Music at President Kennedy School for 13 years. Although I play many instruments, my preference is Saxophone.

I am very much looking forward to meeting you all and exploring your musical talents when you arrive in September.

Your Tutors

Mr Ratcliffe-Law

Hello Year 7.

Welcome to Liverpool University.

I am looking forward to meeting you all when you arrive in The Bridge.

I teach Science and run the STEM (Science, Technology, Engineering and Maths) Club so I'll be delighted to talk to you about interest you have in those areas.

In my spare time I like to climb, play guitar and piano and read.

I am looking forward to meeting you on our Induction Day. We'll have great fun.

Mrs Elliott

Hello Year 7.

Welcome to Sheffield University.

I am looking forward to meeting you all when you arrive at The Bridge in September.

I am a History teacher but I also love to read, so I will be happy to discuss your reading books with you.

In my spare time I like to spend time in my vegetable garden and looking after my chickens.

I look forward to hearing about your hobbies and pets and I am very excited to see you all in September.

I look forward to meeting you.

Mr Chhaya

Hello Year 7.

Welcome to Manchester University.

My name is Mr Chhaya, I am a Maths Teacher and I am very excited to see you in The Bridge next year.

In my spare time I love to read books and play football. My favourite football team is Liverpool FC.

I love teaching at President Kennedy School and I know you will enjoy your time in The Bridge too.

I look forward to seeing you all on our Induction Day. We are going to have a fantastic year together.

Your Tutors

Mr Graham

Hello Year 7.

Welcome to Newcastle University.

I am really looking forward to meeting you all when you arrive in The Bridge.

I too am joining President Kennedy School at the same time as you, so we will help each other in The Bridge.

I teach Geography and I love to travel, and I've spent some time volunteering in Kenya recently, so I'd love to tell you all about it. I also like to play rugby and go running in my spare time.

I look forward to meeting you.

Miss Brogden

Hello Year 7.

Welcome to Nottingham University.

I'm Miss Brogden and I am an English teacher here at President Kennedy school. I am very excited for September and to be your form tutor. As an English teacher, we will be doing lots of reading in form time and I can't wait to find out who your favourite author is.

In my spare time I enjoy performing arts and jogging. I hope to get lots of you involved in our fantastic sports and drama clubs here at school.

Look forward to meeting you soon.

Mr Beladaci

Hello Year 7.

Welcome to Oxford University.

I teach Spanish so I'll be delighted to introduce you to a different culture and a different language.

In my spare time I like to cook Mediterranean food, exercising outdoors and playing competitively at French Boules (Petanque).

I hope to introduce you to this sport when the weather is nice in Summer time.

Looking forward to meeting you.

Your Tutors

Mr Walker

Hello Year 7.

Welcome to York University.

My name is Mr Walker and this is my fourth year as a Year 7 tutor. I look forward to seeing all your new faces around The Bridge.

I teach maths, so if you have any new and interesting mathematical problems, bring them to me.

In my spare time, I play rugby so if there are any budding players, come discuss this with me or even join the Bridge Rugby Team.

I look forward to meeting you.

Mrs Pettitt

Hello Year 7.

Welcome to Cambridge University.

My name is Mrs Pettitt and I've been an English teacher at President Kennedy School for 7 years. I oversee English in the Bridge, so you will be seeing a lot of me in the Bridge and in your lessons. Please come and say hello if you see me around. I'd love to know what book you are reading and why you are enjoying it, as reading is my passion (keep your eyes peeled for reading opportunities- there will be lots of exciting reading competitions throughout the year.)

I can't wait to meet you and to have you in my tutor group; I know that you are going to absolutely love it at our wonderful school, and I am looking forward to being part of your year 7 journey. See you soon.

Miss Rejali

Hello Year 7.

Welcome to Cardiff University.

My name is Miss Rejali and I am an RE teacher at President Kennedy School.

I'm delighted you'll be part of my tutor group and I hope I can make you feel at ease in your first few weeks here.

I love swimming, baking and reading and I'm looking forward to finding out about your own hobbies and talents when I meet you soon.

I know you'll have a fantastic first year at President Kennedy, and I'm very excited to be part of it.

See you soon!
