

"Leaders, staff and governors share a passionate commitment to raise the aspirations and achievement of all the students who attend the school."
Ofsted

8th February 2022

Dear Parents and Carers

Cashless Catering System with effect from Monday 28th February 2022

I am writing to inform you that from Monday 28th February 2022 our catering company, Caterlink, **can no longer accept cash payments.**

As you know, the school operates an online payment system called ParentPay and many of you are already using this service. You can easily top up dinner money for your child through ParentPay.

For any parents who have not yet activated or signed up to ParentPay, please contact the school so that we can arrange to send you details of a unique username and password. Please ensure that you register yourselves as soon as possible so that you can familiarise yourselves with the system before your child returns to school after February half term.

If you have any concerns or queries, please direct these via email to the office info@pks.coventry.sch.uk.

Free school meals are not affected by this change and your child's account will be topped up automatically with the daily allowance in the usual way. More information about free school meals can be found on the following link www.coventry.gov.uk/benefits-1/free-school-meals.

Yours sincerely

N Clayton
Headteacher
