Explain what is meant by diversifying an economy and what the UAE has done to diversify its economy.</li> <li>3. Describe the population structure of the UAE and explain the reasons for this, drawing links with the work completed in week 1.</li> </ol> <p><b>Activities:</b></p> <p><b>Activity 1</b> Figure 1 in the pdf is a graph showing the Human Development Index for UAE, 1970-2010. The graph also includes data for Europe with Russia and Turkey for comparison. Remember the Human Development Index is a tool for measuring how developed a country is which combines information about education, health and economic development to get an overall score between 0 and 1 (0 being the least developed and 1 the most). Your task is to use GEO to <b>describe</b> what the graph shows.</p> <p><b>Activity 2</b> Use the bullet point information in the Figure 2 in the pdf to <b>explain</b> why the graph looks the way that it does.</p> <p><b>Activity 3</b> Read Figure 3 in the pdf “How is the economy diversifying?”. Write a definition for the word <b>diversification</b> and explain what has been done by the UAE to try to diversify.</p>	<p><b>Key Vocabulary</b></p> <p>Diversification Development Human Development Index Reserves Crude oil</p> <p><b>What would you like them to do with these?</b></p> <ol style="list-style-type: none"> <li>1. Practice spelling of key words</li> <li>2. Learn definitions – make revision cards of the definitions</li> </ol> <p>Resources provided in pdf.</p>	<p>Any questions please email Mr Lancaster at <a href="mailto:lancasterj@pks.coventry.sch.uk">lancasterj@pks.coventry.sch.uk</a></p> <p>Please complete your work using Microsoft Word where possible, as this will make it easier for you to share with Mr Lancaster and receive feedback.</p> <p>All necessary resources are provided in the pdf.</p>

**Week 3** Date: **Monday 4<sup>th</sup> May – Friday 8<sup>th</sup> May**

Year Group: **9**

Subject: **Geography**

<p><u>Extension</u>: Using what you learnt in the last lesson why do you think the UAE is keen to develop an economy that is not entirely dependent on money from oil? Do you think they will be able to secure their high level of development for the future?</p>
