

Year 10 Btec DIT

Hello all,

In the work provided for you from ICT you will find PowerPoints and worksheets that will form part of the work that you will be doing for this course. This is for **Component 1 – Exploring user interface design principles.**

It would be beneficial if you could read through the PowerPoints and worksheets so that you know what you will be covering in the upcoming year. You **DO NOT** need to complete any of these worksheets they are simply for you to look over so that you have a bit of an understanding of the topic.

Have a great summer,

Stay safe
Mr Martin
