Dear Parents and Carers

### **Mobile Phones, School Uniform and Wearing of Jewellery**

I am writing to thank you all for your continued support of the school during this academic year.

I would also like to remind you of the very important school rules in relation to mobile phones, jewellery and school uniform.

#### **Mobile Phones**

The school policy is clear that students may bring a mobile phone to school, but that it should not be used during school hours. I am asking for your support regarding the continued enforcement of this policy, which has been in place for a number of years. I believe that when parents and the school work in partnership, we can help the students make the right choices when it comes to how they use their mobile phones.

Whilst I recognise that mobile phones and similar technology are here to stay and are part of modern day life, I believe that it is more important that school prepares students for adult life and the ways of work. This requires a formal approach in schools. At President Kennedy School our commitment to our students and to you is clear. We expect to teach our students to the highest of standards, to support them to be successful, to help them to move on to higher education or employment and to keep them safe and happy whilst they are with us.

I am therefore reminding you of the school rules in relation to enforcing this policy:

- Any mobile phone (or similar technology) used by a student in school will be confiscated; unless they have permission from a member of staff. This will also apply to break and lunchtimes within the school gates.
- Any ear/head phones seen in school will be immediately confiscated.
- Any material put on Facebook or YouTube or other social media platform without the permission of the subject, or that will cause damage to the reputation of the school, will result in the school reporting the matter to the police. Serious school sanctions will also apply.
- If a mobile phone, ear/head phones or similar technology are confiscated, they will be returned following a meeting involving a parent/carer, the student and a senior member of staff or College Leader. An agreement relating to usage will also be signed.

### **Wearing of Jewellery**

It is school policy that students are only allowed to wear a maximum **of one piece** of jewellery. Earrings must be small studs and no facial/tongue piercings are allowed. Excessive or brightly coloured make-up, false eyelashes/extensions, artificial/acrylic nails and nail polish are also not allowed. Any students found wearing excess jewellery will have it confiscated. The items will be returned at a meeting involving parents/carers, the student and a senior member of staff or their College Leadership Team. A home/school agreement will also be signed.

### **School Uniform**

The appearance and conduct of the students of any school fosters a lasting impression on the community as a whole. Maintaining high standards within school remains high on my priority list and I expect all of our students to take pride in their appearance. We are taking a firm approach regarding wearing the correct uniform and footwear and that jewellery is kept within our guidelines. I ask that parents and carers continue to support us in this matter. All students are expected to wear the correct school uniform to and from school. Our uniform list is enclosed.

Please could you speak to your child about the content of this letter. If you have any queries could you please contact either a senior member of staff, College Leaders or myself.

On behalf of the school, may I thank you in anticipation for your usual support.

Yours sincerely

A handwritten signature in blue ink, appearing to read 'N Clayton', with a stylized flourish at the end.

**N Clayton  
Headteacher**

Enc: Uniform Regulations
