

"Leaders, staff and governors share a passionate commitment to raise the aspirations and achievement of all the students who attend the school."
Ofsted

3rd December 2021

Dear Parents and Carers

I hope you and your families are well.

I am writing to you further to my earlier correspondence on 1st December regarding the Government's announcement requesting that schools test students on their return to school in January, following the Christmas holiday.

Schools are requested to complete one in-school Lateral Flow Test (LFT) at the start of term. After this test, students should continue to test at home in line with Government guidelines. Testing remains voluntary at this stage and we are writing to you **to ask for your consent by 3pm on Friday 10th December 2021.**

Consent can be provided by completing the consent questionnaire at <https://forms.office.com/r/CGUtSa2c8R>

Any queries should be sent to info@pks.coventry.sch.uk

Please be aware that you will be notified of the test results by NHS Track and Trace to the mobile number and email address you provide to the school as part of the consent.

We aim to complete this one in-school test during the first three days of the new term for every student who we have received consent for.

I will write to you again before the end of this to inform you of specific arrangements for your child's tests for week commencing Tuesday 4th January.

Thank you for your continued support and please stay safe and healthy.

Kindest regards.

Yours sincerely

N Clayton
Headteacher
