Dear Parents and Carers

College Transition Day – Wednesday 6th July 2022

A significant factor in ensuring the outstanding progress and achievements our students make is the impact of your support as parents. We take great pride in the quality of our relationships with parents; to this effect I am writing to you just before the summer break to give you some information about your child's transition to their new college.

On Wednesday 6th July, all students will be spending the morning with their new tutor group and tutor in their new college. They will be completing activities which will support them in making a smooth transition in September. They will have a whole group assembly which will outline the expectations for their learning for the year ahead and spend time learning about the exciting opportunities for them in the next stage of their school journey.

All parents and students will be invited to a College Information Evening within the first two weeks of starting their new college in September.

If you have any questions regarding transition, then please do not hesitate to contact your child's current tutor or college team.

Yours sincerely

N Clayton
Headteacher
