

PRESIDENT KENNEDY SCHOOL

Transition

“I couldn't have asked for a
more supportive staff team
to help my child
settle into year 7.
Ask them anything,
it's never too much.”

Year 7 Parent

Welcome to The Bridge, a College dedicated purely for Year 7 students! We understand that choosing a secondary school for your child and getting the best possible start is a high priority for parents.

The Bridge has been welcoming Year 7 students into its dedicated school with its own outside play area, garden and art studio for over ten years. In that time, The Bridge has been widely praised by parents, the educational press, OFSTED and education specialists for setting the national standard for transition between primary school, secondary school and regularly hosts visitors from schools all over the country.

The Bridge's team of specialist staff have developed a reputation for providing the very best educational achievement for each and every one of its students. You will, of course, be able to tour The Bridge and speak to our Year 7 specialists. In the meantime, I hope this leaflet will provide you with a flavour of what The Bridge is about and why we are so successful.

Mrs Alexander-Weller,
Director of the Bridge

"All Year 7 students have the opportunity to graduate at the end of the year at a special ceremony. The programme tracks and celebrates each student's achievements, including their academic success and their extra curricular accomplishments within school" **Ofsted**

Specialised Curriculum

All Year 7 students will take part in a carefully crafted curriculum that encompasses traditional academic subjects such as English, Maths and Science taught by our specialist teachers plus a range of cross curricular learning experiences.

The key to success is careful assessment when the children arrive at President Kennedy School which enables us to identify strengths and weaknesses early. We then devise highly personalised timetables for each student based on their particular needs to make sure that every child is stretched to reach their full potential.

Students are quickly placed in sets according to their ability in English and Maths.

Students who arrive below national average in key subjects such as English and Maths are often offered additional lessons such as our Fresh Start & Guided Reading Programme in small groups which give them just the boost they need.

"All students now join the school in Year 7 by entering 'The Bridge', a dedicated area of the school. It is a very safe and supportive environment which helps students to make the transition from primary school to secondary school, and where teachers can provide extremely skilled and effective intervention to quickly improve reading, handwriting, spelling and grammar or numeracy skills that might hold students back in other subjects." **Ofsted**

Extra curricular activities

Part of school life at The Bridge is participation in a wide range of experiences to develop our pupils both academically and socially. Activities include extending academic interests, sports, performing arts, community projects and the media, preserving the environment and student leadership. Students participate in the annual 'Bridge Performance'.

Past performances include 'Grease' In 2014, 'Wizard of Oz' in 2015, 'Annie' in 2016, 'Aladdin' in 2017, Bugsy Malone in 2018, Beauty and the Beast in 2019 and Matilda Jr in 2022.

Sports team and activities at The Bridge:

- Rugby
- Cricket Academy
- Tennis
- Netball Academy
- Athletics
- Judo
- Basketball
- Trampolining
- Dance
- Table Tennis

Arts activities at The Bridge:

- The Bridge Production
- Drama Club
- Debating Club
- Band
- Film Club
- Performing Arts Academy

Homework and learning at The Bridge:

- STEM (Science, Technology, Engineering and Mathematics) Club featured on BBC Midlands Today
- Homework Club (supervised provision after school)
- Learning Ambassadors
- Maths Puzzle Club
- Handwriting Club
- Time Tables Rockstars
- Fresh Start Reading Intervention
- Nessy Spelling Intervention
- Lexonik Vocabulary Intervention

Environmental activities at The Bridge:

- Eco Club
- Bridge Allotment
- Recycling Scheme
- Outdoor Classroom
- Gardening Club

"The opportunities afforded to students in The Bridge are most inspiring. There are so many clubs to choose from and everyone is encouraged to become involved. Students are given extra support based on their earning ability and the chance to visit places like Cambridge University."

Parent

Staff at the Bridge

The Bridge boasts an experienced team who are all educational professionals dedicated to the Year 7 students in their care. The Bridge is led by Mrs Alexander-Weller, Director of the Bridge, who has many years experience in school leading and developing Year 7 students. There is also a Bridge Pastoral Leader who specialises in the Pastoral Care of 11-12 year olds.

The Bridge staff are always on hand to answer questions and ensure the students feel secure and happy. The team is greatly enhanced by a full time literacy specialist, Miss Griffin, and several numeracy teachers who assess children's ability, monitor progress and organise additional lessons which increase attainment in these important subjects. There is also a strong team of Bridge teaching assistants who specialise in supporting Year 7s.

Parents and Carers

At every stage of our Transition Programme we go out of our way to meet and engage with prospective parents and carers. This is important to us for two reasons. Firstly, parents and carers are a vital source of information and this input helps us understand the individual needs of children early on. Secondly, parents and carers are an essential part of the process of education. We know that close relationships between parents/carers and our staff greatly enhances the success of your child through their time at President Kennedy School. Year 7 Parents are invited to join a Parental Partnership group to provide us with continual feedback and ideas for improvement. We also offer regular events where parents can join us and learn alongside their child.

Together, we are Building Brighter Futures!

"I couldn't have asked for a more supportive staff team to help my child settle into Year 7. Ask them anything, it's never too much."

Year 7 Parent

Being an Outstanding Bridge Learner means...

BEING IN THE RIGHT PLACE AT THE RIGHT TIME

- Knowing what lessons take place on a particular day.

TAKING PRIDE IN YOUR UNIFORM

- Knowing and following the school rules regarding uniform, including footwear and wear your badge with PRIDE.

BEING RESPONSIBLE FOR YOUR HOMEWORK

- Using Microsoft Teams to complete homework at home.
- Using your planner to remind you of what you have to do and having your planner signed weekly by your parent/carer.

ORGANISING YOUR BOOKS AND EQUIPMENT

- Reading your timetable to know what lessons you have each day.
- Knowing what equipment is needed for each lesson (e.g. ruler, compass, calculator, PE kit).

TAKING PRIDE IN YOUR LEARNING

- Having your Bridge Five.
- Working independently and collaborating in class to demonstrate your capabilities.
- Showing PRIDE in all your lessons through positive learning habits and outstanding presentation.
- Being curious, asking questions and striving for excellence.

BEING PUNCTUAL

- Getting up on time, so that you are in school before 8.40am, ready to walk out of the door with everything you need.

The Bridge Team

Mrs Alexander-Weller

Director of The Bridge

Mrs Alexander-Weller oversees the provision and performance within The Bridge, ensuring that every student achieves their full potential and demonstrates outstanding character in everything they do.

Mrs Alexander-Weller will ensure that high standards are maintained in every aspect of school life.

Mr Townsend

Progress Leader

Mr Townsend is an experienced teacher and the member of staff responsible for ensuring that every child in The Bridge makes outstanding progress.

He is responsible for an extensive and much praised enrichment programme tailored to the needs and interests of our Year 7 students.

Miss Griffin

Leader of Literacy

Miss Griffin brings expertise in literacy, numeracy and primary school teaching methods to our team.

She is responsible for developing literacy skills in The Bridge and has had considerable success raising the standards of students' reading and writing, numeracy and ensuring accelerated progress.

Miss Griffin works closely with primary schools on transition from primary to secondary school.

The Bridge Team

Mr Winterton

Pastoral Leader

Mr Winterton is the Pastoral Leader of The Bridge who oversees the transition from primary to secondary school.

Mr Winterton's main responsibility is to ensure that every student is fully prepared for their learning and works closely with families to ensure that the student's welfare is of paramount importance.

Mrs Arnett

Student Leadership and Character Development

Mrs Arnett is an English teacher who is responsible for 'Leadership and Character' behaviours in The Bridge.

She delivers a programme which ensures students develop outstanding personal characteristics. This includes providing public speaking, school council activities and performance opportunities such as the 'Shakespeare in Schools' festival.

Mrs Arnett is also in charge of the 'Interact Rotary Club' where we develop links with numerous charities and community based work.

Mrs Sharp

Learning Mentor

Mrs Sharp works closely with students to identify any personal barriers to learning and liaises with teachers to explore personalised strategies that could help students be more successful in the classroom.

Mrs Sharp's intervention support is personalised and can come in many forms.

It can range from supporting communication strategies, helping students self-regulate or building self-esteem. This can be within small groups or 'one to one' sessions.

The Bridge Teaching Assistant Team

Mrs Webster

Customer Communications Officer - The Bridge

Mrs Webster is often the first point of contact for parents and visitors to The Bridge and she co-ordinates many of the events that happen throughout the year.

Mrs Webster manages the administration of The Bridge team, including attendance and reporting and ensures that The Bridge is well organised and supported.

For any additional queries, please contact Mrs Webster on: year7info@pks.coventry.sch.uk

Mrs Knibbs

Higher Level Teaching Assistant and Intervention Co-ordinator

Mrs Knibbs oversees and delivers our personalised intervention programme ensuring that literacy and numeracy skills are embedded for all students in The Bridge.

She works closely with Miss Griffin to ensure all learners are on track to make exceptional progress. Mrs Knibbs also liaises with our TA Team, SENCO and The Bridge teachers to ensure barriers to learning are removed.

Miss Connelly-Jones
Teaching Assistant

Ms Banova
Teaching Assistant

Year 7 Curriculum Overview

English	In Year 7 English, you will study a range of texts and genres that will allow you to find and develop your voice. Your studies will span from the origin of stories to how stories are told in the modern day, exploring the forms of plays, novels, poetry and non-fiction. You will be on your own personalised pathway where your teachers will be guiding you to read, write and speak with authority so that you have the tools to thrive at President Kennedy School.
Maths	In Year 7 Mathematics, you will continue your numeracy journey which started in primary school. Your studies will be deepening your knowledge of a range of concepts from number, algebra, geometry, statistics, probability, ratio and proportion and how they entwine with each other. Mathematics is a universal subject and therefore you will continue to develop your ability to think, question and communicate like a mathematician.
Science	In Year 7 Science, you will study many different concepts; from tiny particles that make up everything around you to how energy is transferred around the world. In all three sciences we look at how to be a scientist, how to question the world around you and find the answers. In Biology we investigate how living organisms interact and the key processes of life. In Chemistry we explore what makes up our world and how particles can react. In Physics we consider the energy stores and transfers in our world and in everyday situations.
Geography	In Year 7 Geography, your study will begin with our local area of Coventry to understand a range of geographical concepts including how people live and the reasons our settlement developed. You will continue your learning journey to explore the ways in which you are connected to the rest of the world and the implications of this on people around the world. Throughout this, you will develop the skills to think critically about the world we live in and how you can make a difference.
History	The Year 7 Learning Journey covers 2 key areas of British History. <i>'Power and the People in the Middle Ages'</i> focusses on the struggle for power and the daily challenges to people's lives. <i>'The World Turned Upside Down'</i> follows the upheaval of the Tudor and Stuart eras. You will be engaged in tasks which will strengthen your writing and oracy skills, improve your understanding of chronology, learn to question historic sources and develop greater empathy. There is also an induction period which introduces the idea of cultural diversity in Britain.
I.T	In Year 7 IT you will learn all about the incredible world of technology. You will discover how computers work and learn how to ensure you safely engage with technology. You will become competent users of various IT programs applying yourselves to many fun and exciting projects along the way. You will explore concepts of programming creating games, learn how to create vector graphics as well as managing a project using spreadsheet software.

Spanish	<p>Year 7 Spanish is exciting, fun and full of variety throughout the year. We start Year 7 by concentrating on the phonics and play a wide range of games to ensure everyone is secure in the pronunciation of the language. We then continue with Langlovision, a singing competition in Spanish and start to develop reading and writing skills through song.</p> <p>After Christmas, we continue to learn the language through film and continue to develop our four main skills of listening, speaking, reading, and writing.</p> <p>Our final topic in Year 7 is '<i>Home</i>' where you are taught how to discuss and write about your home and area. Our experienced staff will ensure you enjoy and excel in Spanish, and we look forward to meeting you all in September.</p>
PE	<p>In Year 7 PE, you will participate in a range of team and individual sports, where you will practice skills, take part in conditioned games and full sided games. You will develop your own personal fitness, begin to understand tactics and rules and understand how best to work as a team. There will also be the opportunity to represent the school in many different sports.</p>
Technology	<p>In year 7 Design and Technology, you will learn a range of different skills that will allow you to develop your creative abilities and deepen your understanding and precision of these, as well as various techniques . We will work on a number of projects exploring your skills in Textiles, Product Design and Food.</p>
Music	<p>In Music, you will develop your instruments skills by learning to play an instrument and practice performance skills and techniques such as melodies, harmonies, rhythms using music notations, understanding characteristics and features of different styles of music. You will also explore different music through active listening, analysing concepts to develop your own appreciation for music.</p>
Art	<p>Within Art, Year7 Students study <i>Cubism</i> and learn about Picasso and his artwork. You will be taught the elements of drawing such as <i>Line and Tone</i> and you will be introduced to <i>Colour Theory</i>, learning about Primary Colours and Secondary colours. In addition to this you will be exploring the use of watercolour and acrylic paints to create your very own Cubist piece of art.</p>
Performing Arts	<p>Year 7 Performing Arts is a diverse and inclusive subject where all students can learn to be creative, confident and skilled performers. We offer a variety of topics both practically and theoretically to enhance students' knowledge and understanding of the different skills in dance, drama and vocal. Within performing arts, students get an opportunity to take a leap out of their comfort zone and gain an in depth understanding of how to be imaginative and communicate with peers in a unique and fun way.</p>
RE	<p>In Year 7 RE you will study two of philosophy's ultimate questions: Where did we come from? and How do we know right from wrong? By exploring a variety of religious stories, scientific explanations, atheistic and modern philosophers you will explore your own values and interpretations of the world around you and your place within it.</p>

Pride:

You look after the physical and emotional wellbeing of yourself and others, including the school, family and friends. You have a moral purpose and show self-control and discipline in striving to reach it.

Respect:

You display excellent social intelligence, demonstrating self-control and discipline in how you conduct yourself with other people and the environment.

You consistently use appropriate manners and show gratitude to others. You put the needs of others before your own.

Involvement:

You show zest and curiosity for rich and relevant experiences. You are thirsty for knowledge and new skills, and want to make a valuable contribution to the community.

Determination:

You show grit and discipline in your drive to reach your goals. You never quit and are prepared to be resilient, independent and positive in finding ways to overcome barriers to success.

Excellence:

You aspire and strive to do your best at all times, using relevant strategies and skills to do so.

You consistently have a positive impact on other people.

You have a plan for how you will achieve amazing success.

Character was defined by Aristotle as:

“Thinking, acting and feeling in ways that are beneficial to yourself and others.

Doing the right thing, at the right time, in the right way.”

School

Building Brighter Futures

Ofsted
Outstanding
Provider

Our students welcome you!

Hello my name is Izzy Wheeler and I went to Whitmore Park School.

On my first day I was quite nervous and thought that I wouldn't be able to find my way around, but there were a lot of people around to help me.

There are many great opportunities at President Kennedy School, for example, we produced a show (*Matilda*) and it was an incredible experience.

There is also a lot of sports to play and you could be involved in participating in games and tournaments.

My advice for you would be try not to be shy and to ask for help, because all of the teachers are friendly.

Good luck in transitioning!

Hello my name is Sruthika Subash and I went to Parkgate School.

When I was in primary school, we were talking about moving into secondary school. I felt very nervous and very scared but I could ask teachers for help.

If I was going to give advice to the new Year 7's, then I would say ask for help if you need it, don't sit without asking.

Hello my name is Cyrus Mathur and I went to Hollyfast Primary School.

I'm not going to lie, I was nervous on the first day of school, I was greeted with an amazing amount of kindness from the staff in The Bridge. My first day of school was truly a memorable day. I was treated with kindness and respect and I felt genuinely welcomed.

Since being here, I've joined lots of clubs such as Dodgeball and Cricket. I've also been on some trips, such as visiting an elderly lady at a local care home, who had just turned 102!

School is amazing and goes by so fast, I'm almost in Year 8 and it's only felt like a month since I first came here!

I hope you enjoy your time at President Kennedy School.

Our students welcome you!

Hello my name is Harvey Devlin and I went to Keresley Newland School.

When I came to President Kennedy School I was worried I'd be alone, but then people started to talk to me and now I have made lots of friends.

My first day was a surprise because my primary school was quite small compared to this school.

During my time in The Bridge, I have met Mary, who has not long turned 102 years old in a local nursing home, I have made an appearance in the school football team and raised money for charity in a cake sale.

It is a pleasure to learn in The Bridge because it has phenomenal teachers, surroundings and many great students. If you are nervous or worried about being here, just be yourself and try and join any of the activities on offer, such as football, Rugby or The Bridge council.

Hello my name is Ella-Adora Adejinmi and went to Whitmore Park Primary School.

Before attending President Kennedy School I was a student in Whitmore Park Primary school.

President Kennedy School has been amazing. It was hard at first to fit in and make new friends but this school has helped me so much.

I was able to be a part of the The Bridge production 'Matilda'.

The advice I would give to any Year 6 student joining the school is to be good and show pride.

Hello my name is Nilash Neil and I went to Parkgate Primary School.

There are many opportunities and clubs such as dodgeball, football, rugby, netball and homework club (also, all clubs are free). There is an opportunity to join the school council and attend Performing Arts.

In tutor time, we have learnt about the '9 protected characteristics', online safety, different religions and we have been inspired by various career choices. You can also get positive points to get prizes from the prize shop.

If you are anxious or need help, you can go to teachers such as Mrs Alexander, Mrs Arnett, Mr Townsend or Mr Winterton.

My advice is try not to get worried. When you get to this school, listen to the rules and always respect your teacher. The final thing I would like to say is to never give up!

SUMMER TRANSITION DAYS

Our outstanding transition programme is a wonderful opportunity for your child to familiarise themselves with President Kennedy School staff, The Bridge and other students who will be joining us in September, whilst taking part in lots of fun activities!

All students that choose to attend our **Summer Transition Days** will be given a free **President Kennedy School Starter Pack**, full of essential items ready to start secondary school in September, as well as many opportunities to **win great prizes** throughout the day!

During our Summer Transition Days, we would also like to offer parents and carers the option to join us for an informal 'Coffee Morning' on **Wednesday 27th July**, open from **10am to 11.30am**. This will give you the opportunity to meet other parents and where you can talk to key staff and ask any questions you may have about The Bridge.

Please be aware that bookings can be made for all of the days or selected days that suit your commitments. Students need to bring a packed lunch.

To book a place on the **Coffee Morning and the Summer Transition Days** please complete the response survey via this link:

<https://forms.office.com/r/70fURFCLMj>

If you have any queries or would like to speak to someone, please either email Transition@pks.coventry.sch.uk call Mrs Webster, Year 7 admin support, on 024 76661416.

We look forward to meeting you!
